

November 2018

We Are Late!

Yes, it is December when you are seeing this (even though it says November above). We decided to delay our publishing date for this month in order to report on Team Canada's results in the Men's World Championships that were just held in Hong Kong.

New Publishing Schedule!

Just a reminder, this is a "special edition" of the CTF Connection, as we have changed our publishing schedule. We are a bi-monthly publication and used to publish in months Feb, Apr, June, Aug, Oct, and Dec. But starting immediately, we will instead be publishing in months Jan, Mar, May, July, Sept, and Nov.

CTF Annual Meeting Update

Check inside this issue for a report on this year's CTF Annual Meeting. There are a number of changes that were announced!

Winnipeg Tenpin Bowling Association – Promotion Continues

In order to encourage our local bowlers to report on the accomplishments of bowlers in their leagues, the Winnipeg association had continued with a successful promotion that they started last season, with the chance of winning a \$100 Pro Shop gift certificate.

The rules are fairly simple: For every story/event that is submitted for publication (whether it be on our website, in our quarterly local newsletter, or nationally, in the CTF Connection), the person who submitted it gets an entry into the draw for the gift certificate. We hold the draw at our Annual General Meeting that takes place each August.

Jonathon Snyder – First Career 300

A huge congratulations to **Jonathon (Jon) Snyder**, who rolled the first perfect game of his career. It happened on Tuesday, November 6th, in his 3rd game of the night in the Winnipeg Senior Men's League at Laverendrye Lanes. What makes it more remarkable is that our league changes lanes every game, so he threw those 12 strikes without having had the benefit of any practice shots on that pair of lanes beforehand. By the way, that pair of lanes was 13 & 14, which are known to be quite difficult.

Snyder's games were 238, 259, 300, and 226 for a 4-game series of 1023! And if you do the arithmetic, he had a 3-game series of 797 – just 3 pins short of an 800 series!

Snyder, is a “no-thumber”, and is a lefty who throws with a lot of revs and speed. His last three strikes in the 10th were all picture-perfect.

Lauraine Chatelain – First Career 500 Series

On September 21st, in the Red White and Blue league at Chateau Lanes, **Lauraine Chatelain** rolled her first career 500 series. She rolled games of 164, 178, and 168, for a 510 series total!

This is a significant milestone for Lauraine, a newer bowler, whose entering average was 134. We expect to see many more milestones in her career!

Congratulations !!

HAMILTON HALL OF FAME NOW AT 48 MEMBERS

With the recent additions of **Barb Hollands & Ron Metcalfe** to the Hamilton Tenpin Hall of Fame, our first new members in six years, it is time to honour the previous 46 Hall of Famers. The first inductees were in 1970 with Bill Bailey, Gabe Bihary, Cec Habros, Stan Prokop and Emil Nalborczyk. Joining the club in 1971 were Art Elford, & Frank Hanson with George Smith & Oscar Hilbourn next in 1973.

In the next 26 years, there were 37 additions to the above nine. They are Albert Shorer, Andy Toth, Fred Byers, Howard Ricker, Chuck Lawrence, Harry Ireland, Paul Frigault, Peter Kekic, Frank Kurpe, Helen Ireland, Bill Ciach, Gladys Johnston, Carl Balon, Norm Robinson, Dorothy Green, Joyce Campbell, Mike Sydor, Mary Bihary-Scandlan, Vera Wigmore, Stan Dumala, Jim Margueratt, Jean Fairclough, Thelma Ricker, Bobbie Kartonchik, Wendy Zielonka, Al Tone, Shirley Gordey, Stan Skene, Barb Dewing, Ed Nalborczyk, Cheryl Feller, Bob Coulter, Joyce Rowett, Linda Higenell, Phil Morris, Bill Rowe Jr. in 2006 & June Najbor in 2012.

Highlights of some of these inductees include Bill Bailey, at one time holding the world record of 72 consecutive years in one league from 1907 to 1979. Gabe Bihary was the first Canadian to win a match at the A.B.C. Masters Tournament in Fort Worth Texas in 1957. Bill Rowe Jr. & Al Tone are both members of the CTF Hall of Fame and Rowe fired a 300 game in the Commonwealth Games in Malaysia in 1998 and won the gold medal at the pre-Olympic Tournament in Atlanta in 1996. Dorothy Green represented Canada at the World Women's Invitational Open in Baltimore Maryland in 1976. Wendy Zielonka was the first Hamilton woman to average 200 in 1981. Andy Toth was on the All-Star Team of the Canadian Professional Bowlers All Star Team in 1965. Linda Higenell rolled a pair of 300 games in the 1987-88 season. Bill Ciach had a perfect 450 game in five-pin in 1978. Bob Coulter wrote a weekly, then twice a month, bowling column in the Hamilton Spectator for 30 years.

Art Elford bowled in the same league for 56 consecutive years and Phil Morris is now at 60 years in a row in the same league as Elford & Bailey, the City Tenpin, at 115 years. Wendy Zielonka had a Canadian record high triple of 775 in 1981 at age 18. Al Tone bowled on outdoor lanes in Egypt in 1997 & was voted Sportsman of the Year by his fellow bowlers. These are just a few of the many accomplishments by our Hall of Famers. Keeping it in the family, Emil & Ed Nalborczyk are brothers, Harry & Helen Ireland and Howard & Thelma Ricker are husband & wife and Gabe Bihary & Mary-Bihary Scandlan are brother & sister.

A final word on one of the above bowlers. Jim Margueratt finished eleventh in doubles in the Hoinke Tournament in Cincinnati and at one time was in the A.B.C. record book for 17 consecutive first-ball nine counts (and by the way, he spared them all!).

Late news just in . Lionel Lewis Jr., who will be competing on the PBA Seniors tour when he turns 50 in a few months, has rolled his 14th perfect game at Skyway Lanes and has tripped back-to-back triples of 768 (300,226,242) & 770 (245,266,259). Matthew Lewis almost matched his father with his ninth 300 game, but was stopped after ten strikes for a 288.

HAMILTON TENPIN TRIVIA

1. Ryan Dickenson in 2000 threw 18 strikes in a row but no 300 game. He finished one game with 10 then started the next with eight.
2. Jayson Legg in 1999 finished with 23 strikes for games of 290 & 300.
3. George Lambert IV. in 2000 in his first adult league, started one game with nine strikes & the next game with ten strikes.
4. Al Tone in 1982 rolled four consecutive 300 games in a no-tap tournament.
5. Hall of Famer Bill Rowe Jr in 2005. rolled a 300 game in his first PBA Tournament in Michigan.

Windsor-Essex Chatham-Kent Bowling Association Submitted by Cathy Wilbur.

WECKBA would like to congratulate **Gerald Impens** and **Myrna Malyon** (Posthumously) for their induction into the Windsor-Essex Chatham-Kent Bowling Association Hall of Fame during our Annual Awards Banquet on Saturday November 10, 2018.

Gerald Impens, was inducted in the category Superior Performance. Gerald has only bowled for 25 years but he has a long list of accomplishments

- 300 games - 16
- 299 games - 6
- 298 game - 1
- Games of 11 strikes in a row - 11
- 800 series- 8 - with the highest series of 837 in 2014
- Highest Average - 236 (2012-13) at age 60
- All Star Team - 2nd (1 year) in 2008
- All-Star Team Senior (6 years) from 2011-12 to 2016-17
- Bowler of the Year, Senior (2 years) 2015-16, 2016-17

He is known among his bowling peers to be a good bowler, a good sportsman and exhibits a great attitude on the lanes. John Nikosey Sr stated that “In the 25 years that I have seen him bowl I have never witnessed him exhibit any disappointment on the lanes when things did not go his way.”

Gerald was excited and truly honoured to be inducted into the Hall of Fame. He indicated “I tried bowling when I was about 30 years old. I joined two leagues, but I could only bowl part-time because I was working shift work. After 2 years I had to give up bowling because my two sons started playing travel sports so I just didn’t have the extra time.”

When Gerald was 42 his father convinced him to start bowling again. At that time, he was working steady midnights. By then his boys were just about finished playing minor sports so he had extra time to commit and bowl full-time. After 3 years, bowling went from one night a week to three nights a week. Today he currently bowls four nights a week.

For Impens to get where he is today, he wanted to give credit to a few people for his success.

- His wife for putting up with him running off to the bowling alley all the time.
- Rick Drummond for helping with all his equipment.
- Paul Hickmott and Steve Kubis for their help in identifying what he is doing different when in a slump.

Gerald concluded by indicating that one of the best decisions he made in his bowling career was when he started bowling at Super Bowl where he has met some great people and good friends. He said “I happened to be lucky enough to get on a team with a great bowler named Dave Forfitt. He has been a great help getting me to understand the lanes, learn to adjust to different shots, and the right time to adjust.”

Myrna Malyon, (Posthumously) was inducted into the Hall of Fame for Meritorious Service. Myrna had been a proud member of the WAWBA/WECKBA for 24 years. Myrna's middle daughter Sandra was chosen by the family to speak on behalf of Bud, Myrna's husband and the rest of the family.

The Maylon family thanked the Bowling Association and the voting members for bestowing this honour on behalf of Myrna.

Myrna passed away 10 years ago but she kept numerous old bowling records so Sandra worked from the historical files and her own memory to present her mother's life in bowling.

Myrna first started bowling in the mid 1970's when she joined a church bowling league. Sandra noted that her mother had a unique style about her. She would run up the approach and drop the ball. It always made a loud bang, but it worked for her. She was a leftie. Sandra remembered "Spending every Saturday night at Rose Bowl Lanes while our parents bowled in Moonlight bowling. I would fall asleep on those old plastic benches that were not very comfortable. Mom (Myrna) spent so much time at Rose Bowl Lanes that Dave Rose gave her a job working behind the counter."

A few years later Myrna met another bowler, Bud Malyon, who also enjoyed her love of bowling. Together they made a great team – not only with bowling but in life.

From the historical bowling records, here are many of Myrna's bowling service accomplishments.

- Coached Junior Bowling program at Rose Bowl Lanes – Club 240 for 5 years. Sandra indicated "Mom must have been pretty good at coaching as us three sisters all bowled in Club 240 and two out of the three of us won the Junior Pro Am in the early 1980's – one of us even beat her pro – Arnie Goldman! It must have been pretty embarrassing for him to be beaten by a 12-year old girl!"
- League President - 8 years
- League Secretary of two leagues (7 & 4 years)
- League Secretary/Treasurer of three leagues (15, 7, 6 years)
- Started Christmas Doubles Tournament and was Tournament Director for 10 years
- Started a Tuesday Summer Trios Ladies League and was Secretary/Treasurer of the League
- Was voted Secretary of year for 1997-1998 season
- WAWBA Director (1980-1982)

Myrna also had numerous bowling achievements.

- WAWBA Annual Championship Tournament (1986) - All Events, Scratch - 1671
- Hoinke (1987) - Singles (1st) 1090 Scratch, 1225 Handicap
- WAWBA League High Series (1989) - 727
- Highest League Average of 186
- Molson Masters Tournament (1989) - High Qualifier
- Rose Bowl Invitational Doubles (1991) - 1st with Bud Maylon
- Hoinke (1994) - Doubles with Lou Dupuis - 1414
- Molson Masters Tournament (1995) - Runner-Up
- Bakers Doubles (Bowlero) - 1st with Bud Maylon

Myrna truly enjoyed bowling and anything that had to do with bowling including not only participation but also watching the PBA Tour whenever televised.

In 2002 breast cancer ended Mryna's bowling career when the disease forced her to retire from Rose Bowl Lanes. Even though she could no longer bowl she still went to the bowling centre to support her husband Bud and the many lady bowlers she bowled with over the years. It must have been hard for her to sit on the sidelines after having been involved for so long. Mryna was a fighter. Bowling and the people she met through bowling were her passion. Unfortunately, in 2008 she succumbed to cancer.

I remember bowling with Mryna many years ago on a team in the Ladies Classic at Crescent Lanes. She was a Class Act. She constantly promoted the sport of bowling. She was a motivator to many women bowlers. When I first joined this league, I felt intimidated by the many good women bowlers. Myrna made you feel at ease.

Correction from our last issue. Our apologies.

We had reported the wrong name on one of the bowlers being recognized for bowling a perfect game. Here is the corrected paragraph:

Johnny Wilkinson fired twelve dynamite strikes in a row in the 1046 Mixed League at Marcin Bowl to post a perfect game in LCTA bowling action. He performed the feat in his third game of the night on lanes 31 & 32. It was his career 4th perfect game and the 4th 300 shot in the LCTA this season. He finished the night with 718 (225-300 – 99 pins over average).

Editor's Note: Rod Honke produces a fabulous weekly write-up of local scoring achievements and results and posts them up on the LCTA website. If you want to see more of Rod's write-ups, go to:

Team Canada “Raises the Bar” at Men’s Worlds

For those of you who haven’t heard the phrase “Raise the Bar”, it has been the mantra of Team Canada for several years now. And although our teams have had a lot of successes the past several years, our team’s performance at the Word Bowling Men’s Championships this past week has raised that bar to new heights.

The tournament took place in Hong Kong, from Nov 23rd to Dec 5th. There were 47 countries represented and competing in singles, doubles, trios, teams, masters, and of course, all-events.

Canada won medals in Singles, Doubles, Team, All-Events, and Masters. And in Trios, they came close, with one of the teams ending up in 6th place, just 69 pins out of the medal round. A remarkable showing on this world stage! Congratulations to all!

Back row, L-R: Graham Fach, Francois Lavoie, Zach Wilkins, David Simard
Front row, Earl Sobotkiewicz (Coach), Mitch Hupé, Dan MacLelland, Jane Vetro (Team Manager)

Here are some quotes that help to tell the story and put it into perspective:

From **Earl Sobotkiewicz** – Coach:

The 2018 World Men’s Championship was an amazing experience. I am so proud of this team for how they worked together on the lanes. 1 Gold (Masters), 1 Silver (Singles) and 4 bronze (Team, Doubles, All Events, and Masters). I would like to thank everyone who had a hand in making this happen. From High Performance, Tyrel Rose, my fellow coaches, team managers, and of course these amazing athletes. A special thank you goes out to [#SportCanada](#), [#CanadianOlympicCommittee](#), [#CTF](#)

From **Jane Vetero** – Team Manager and High Performance Manager:

2018 World Men's Championship. This was a great week for Team Canada, topped off with Mitch Hupé winning the Masters Event and Dan MacLelland winning the Bronze.

In total Canada won 1 Gold, 1 Silver and 4 Bronze.

I would like to THANK the Canadian Tenpin Federation, Canadian Olympic Committee and Sport Canada for the support for our High Performance Committee (Past, Present, and Future Members)

I was told it takes a village to make performances like this happen. Well this village just conquered the World. Congrats to Mitch, Dan, Frankie, Zach, David and Graham for an outstanding Performance.

From **Cathy Innes** – CTF Executive Director

Congratulations to the men's team qualifying to medal round in team event. I am very proud of the full team that travelled to Hong Kong. Graham Fach, Zach Wilkins, Mitch Hupé, Francois Lavoie, Dan MacLelland, David Simard, Earl Sobotkiewicz, Jane Vetero.

High Performance started over 7 years ago. The mandate was to create a strong program for our teams of athletes and coaches. We have come a long way but still have work to do. Building a future for our athletes and that dream of being on the world stage and perhaps one day, the Olympic stage, on a limited budget is challenging but on this day it makes it all rewarding.

Thank you also to The Canadian Tenpin Federation, Canadian Olympic Committee and Sport Canada for the support for our High Performance Committee (past, current and future members). It takes a village!

Good luck in the next round in team and in masters. Safe travels home.

CTF Annual Meeting **Nov 17, 2018**

The CTF Annual Meeting took place in Winnipeg, MB at the Canad Inns Club Regent facility on Saturday, Nov 17, 2018. And as usual, there were several workshops held on the Friday night before the meeting.

The first Friday night workshop was all about change – or actually all about the changes that have been taking place within CTF of late. Things like closing the Lethbridge office, having an “electronic” process for Registered Participant cards, revamping the CTF website, changing the bowler awards process, and much more. Cathy Innes, the Executive Director, spent much of the time showing off a “demo version” of the CTF website. It has a completely new look and structure, and according to Cathy, will be announced (and available) soon. She says it’s more than 75% complete. Cathy apologized for the condition of the current (old) website. Ever since the major crash and loss of data of that website earlier this year, it has been very difficult, and in some cases, impossible, to recover everything properly. And ever since the new website has started to be developed, CTF had to prioritize where to spend their limited time, choosing to update only high-priority items/areas in the old website, and instead updating the information on the new website in development. The intent was to roll out the brand new website with as much good information as possible from the get-go.

The other “change” that Cathy spent some time showing to the attendees was the new “portal” for ordering honour score awards. It is currently in a “pilot mode”, and is being tested by several people across the country who have achieved an honour score this season. It is a major change from the old (very manual) process and besides being more efficient and less time-intensive, it also allows the bowler to easily and freely choose their award by themselves, online. And because it is all online, and connected directly to Baron (our supplier), it will significantly reduce the overall time it takes for the bowler to actually receive their award. More efficient, less work for Local Association Manager, and the CTF Executive Director, and better service to the bowler. How great is that?? It sounds like this may be ready to go live early in the new year.

The second workshop was CTF’s popular annual Open Forum – a chance for delegates, and other registered participants to freely ask questions to the Board, in a more casual environment than the Annual Meeting. This is a great opportunity for both the Board and the participants to learn more about specific questions, concerns or issues and what is being done, or will be done, to address them. Although there were quite a few questions, this workshop only lasted about 45 minutes, it was, for the most part, a very productive session.

On Saturday, the Annual Meeting was a full agenda, with reports being presented by every Director covering all of their current responsibilities, including all active committees. And of course, the delegates had opportunities to ask questions or generate discussions about each of them.

There was a presentation of the Hazel McLeary Leadership Award in the afternoon (shown at left, Cathy Innes, Sharon Borle, and Hazel McLeary. The recipient was Sherry Hobson, unfortunately, posthumously. Sherry is very deserving of this award, as she epitomized everything that this award is about. To make it even more special, Hazel was at this year’s meeting, and was able to personally present the award to Sharon Borle, who was like a Mom to Sherry for many many years. Lynne Gauthier, who was one of Sherry’s best friends, delivered a

wonderful speech about Sherry, reminding us of all of her great qualities. She also included a montage of pictures of Sherry for everyone. And Sharon's acceptance speech was wonderfully done as well. Sherry would have been proud!

And of course, the agenda included elections of CTF Directors. Three Directors' terms were expiring and the positions needed to be filled. The three Directors were Elaine Yamron (Manitoba), Charlotte Konkle (Ontario), and Curtis Kruschel (Alberta). They all chose to run for re-election, and as it turns out, there were no other nominations submitted to CTF. So, they were each elected by acclamation, to new 3-year terms.

Our Board of Directors:

L-R: Wanda Howard, Dave Kist, Felicia Wong, Blaine Boyle, Elaine Yamron, Cathy Innes, Curtis Kruschel, Jane Vetro, Brian McMaster, Charlotte Konkle

CTF Hosts Lane Certification Inspector Workshop Submitted by Ron Jones, Chair, Lane Certification Committee

CTF National has just completed a successful Certified Lane Inspector workshop in conjunction with the Annual Meeting in Winnipeg. The workshop had ten (10) total participants from the provinces of Alberta, Saskatchewan and Manitoba.

The purpose of the workshop was to upgrade the knowledge of current Association Lane Inspectors with the use and application of all the lane measuring tools, tape take-up device and the new changes starting this year.

We have a new form which we are currently reviewing to make it friendlier. We will be randomly asking Associations for their input into the form as we have heard of many complaints. We will also be updating our web site in the future to incorporate materials to assist in the inspection process.

I wish to congratulate our workshop facilitator **Dan Tereck** and all the participants (listed below) who completed the day-long session and being accredited as a CTF Certified Lane Inspector:

Jim Coleman from Alberta, **Don Bilyea** and **Carla Bilyea** from Alberta, **Michel Habrun** from Alberta, **Norton Fast** from Alberta, **Richard LePage** from Alberta, **Quinn Materna** from Saskatchewan, **Phil Haaksma** from Manitoba, **Marshall Nykoluk** from Manitoba, **Ted Smuland** from Manitoba and our facilitator **Dan Tereck** from Manitoba.

As your new Lane Certification Committee Chairperson, I look forward to any questions and concerns and/or lane oil distribution tapes that we can read for you if your Association does not have a computer lane monitor. Our goal is to provide assistance across our Great Nation as well as put on more workshops to certify more Inspectors.
