### **And....Something new this issue....**

*We have included a new section – Upcoming Events – which is placed after the CTF News section. This is intended to give each Association, or Province, or Centre, the ability to advertise/promote their significant tournaments in the CTF Section. Typically, these are the “Open” tournaments, or the Association Annual Tournaments (singles, doubles, team, all-events). Tournament Managers... send us your information for inclusion into this new section. Bowlers... Check it out!!*

Manitoba News  
Submitted by Dan Tereck

Manitoba Bowlers at the USBC Senior Championships

Well, our Manitoba contingent at the 2017 USBC Senior Championships held in Las Vegas in August came home with pretty good results. Of the ten bowlers who competed, one of them made it to the Medal Round and finished in 4<sup>th</sup> place, and three others cashed in the tournament. The results:

<b>Dorothy Wojcik</b> – 13 <sup>th</sup>	<b>Mark Wojcik</b> – 4 <sup>th</sup> (cashed plus plaque)
<b>Wanda Howard</b> – 9 <sup>th</sup> (cashed)	<b>Bud Quint</b> – 13 <sup>th</sup> (cashed)
<b>Val Saltel</b> – 33 <sup>rd</sup>	<b>Randy Kostenuk</b> – 29 <sup>th</sup>
<b>Lauraine Chatelain</b> – 13 <sup>th</sup> (cashed)	<b>Clem Perreault</b> – 29 <sup>th</sup>
<b>Elaine Yamron</b> – 31 <sup>st</sup>	<b>Jim Main</b> – 27 <sup>th</sup>

The complete results of the tournament can be found at:  
[https://www.bowl.com/Senior\\_Championships/Senior\\_Champ\\_Home/2017\\_Results/](https://www.bowl.com/Senior_Championships/Senior_Champ_Home/2017_Results/)

Shown below is Mark with his 4<sup>th</sup> place plaque. And on the right, you can see the form that got him there!

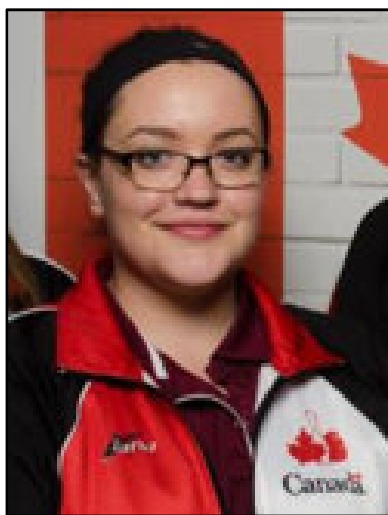

Well done everyone!!

\*\*\*\*\*

## Brittney Rocan Makes 2018 Team Canada

In our last issue, we mentioned the fact that one of our local youth bowlers – Marissa Naylor – made the 2018 Youth Team. In this issue we are honouring another of our local youth bowlers – **Brittney Rocan** – who also qualified for the 2018 Youth Team.

Brittney is one of the youngest girls to qualify for Youth Team Canada, finishing in 18<sup>th</sup> spot among all of the women bowlers, ending up less than 100 pins out of the top 12 cut-line. Over the course of 18 games, that's not a big number!

We predict that Canada's tenpin bowling community will be hearing her name for many years to come!

**Congratulations Brittney!!**

\*\*\*\*\*

## World Cup Nationals

Bowl Canada held their World Cup National Finals at Chateau Lanes in Winnipeg on July 8-9. After the dust settled from the stepladder finals, the winners were: Miranda Panas (Ontario) for the women, and Ryan Reid (BC) on the men's side. These two champions will be representing Canada at the World Cup competition being held in Hermosillo, Mexico, from Nov 4-12, 2017.

Congratulations, and best of luck!

(left to right) **Olivier Bernier** (Silver), **Ryan Reid** (Gold), **T.J. Calara** (Bronze)

(left to right) **France Joubert** (Silver), **Miranda Panas** (Gold), **Felicia Wong** (Bronze)

\*\*\*\*\*

## Bowl Canada Cup

The National Championships for the Bowl Canada Cup were held in conjunction with the World Cup nationals, held in Winnipeg, at Chateau Lanes, on July 8-9.

In an exciting finish, Team Alberta came out on top.

Congratulations!!

(left to right) **Annika Engelen**, **Sara Bagly**, **Wendy Knowles**, **Robert Campbell**

\*\*\*\*\*

## FTA (Foothills Tenpin Association) - Calgary

It has been a real hot one out West, one of the driest and hottest in a long time – so thankfully bowling season is about to ramp up and get us out of the sunshine..... Well, maybe not everyone is ready to put away the clubs and head indoors to the lanes.....

It was a busy summer though and here are some of the highlights:

### Bowl Canada Cup held July 8 & 9

We are proud to once again have a team from the FTA at the Canada Cup National Finals. In the 2016 inaugural event, the team from FTA qualified for the step ladder finals in 3<sup>rd</sup> spot and coming home with the silver medal. This year another team from the FTA – **Annika Engelen, Sara Bagby, Wendy Knowles and Robert Campbell** - made it to the National Championships. After 14 grueling games over two days, they qualified for the step ladder finals in the number one spot with a team total of 13,640 which was 497 pins ahead of the second place team.

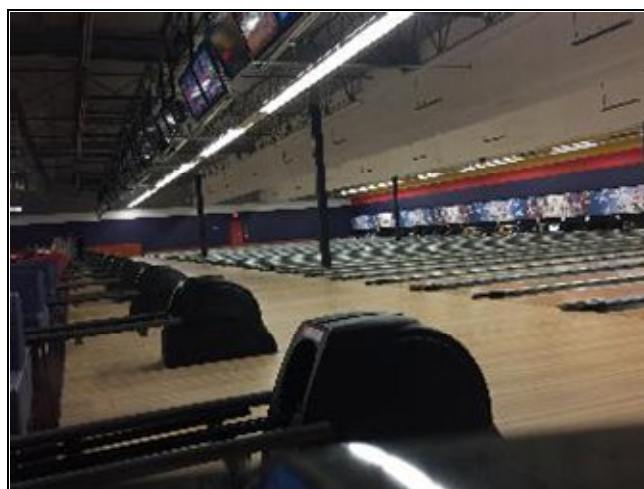

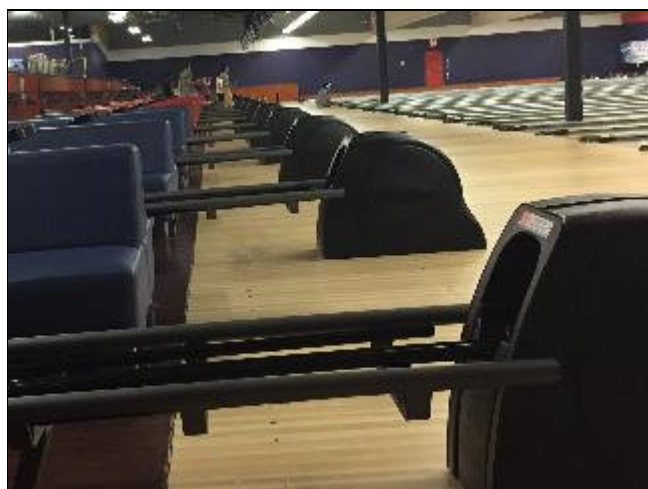

This meant they would bowl for the National title and the gold medal, needing only 1 more victory in a head to head match, but had to wait for the winner of the second & third place teams. Southern Ontario defeated Saskatchewan 972 to 877 and would be our opponent in the gold medal match. Having placed first, we only needed to win one of the two games to take the title. Southern Ontario took the first game 1,003 to our 924, setting up the winner take all showdown. By a score of 923 to 900, our FTA bowlers took the National crown and brought home the gold. CONGRATULATIONS!!!!!!

Arriving home, here they are, home safe and sound presenting their banner to hang at Let's Bowl.

CONGRATULATIONS to Century Bowling on an amazing new look. 30 brand new lanes and approaches, new ball racks with under mount carriages and a new fresh modern look. Great job.

**MAJOR ANNOUNCEMENT** – It is back and looks to be bigger than ever before. Block off February 24, 2018 on your calendars right now. Yes, one of the biggest and most popular tournaments is making its comeback after a 1-year hiatus. It is the...

### **In Loving Memory:**

Sadly, we said goodbye to another of our members – Glenn Kalyniuk. Bowling was one of Glenn's favorite pastimes to relax and unwind. You could find him at Century Bowling Thursday nights hanging with the boys of the Petroleum Men's league, cracking jokes and having a few drinks. In addition to his Thursday nights, Glenn had a couple of tournaments he rarely missed – The Western Cup and

the FTA Annual. 170 people were able to make it to his memorial service in Turner Valley on August 19 - we will miss you Glenn.

In other news, Tyrel Rose (head coach for Team Canada) returned to Alberta and hosted clinics in Edmonton on August 12 and 13, then in Calgary on August 19 and 20. The clinics, as always, were jam-packed with 5 out of the 8 clinics being sold out in advance. We are honoured to have Tyrel out here and thank ATPA for their ongoing support to help improve bowlers of all skill levels. These clinics were free to any youth member and a mere \$20 or \$30 for adults – no wonder there was so many sold out. Here are a few photos of the action:

## **Hamilton Tenpin News**

Submitted by Jim Margueratt

### **GONE, BUT NOT FORGOTTEN**

*[Editor's Note: Jim told us that he was submitting "something different" this issue. He says it's easy to tell that he is very interested in Hamilton history, especially when it comes to bowling!]*

With the recent closing of Bowlerama Stoney Creek, it joins the long list of former bowling houses no longer around. The names are familiar to some bowlers, but where were they located and what is there now? Bowlerama Stoney Creek was located across highway eight from Fiesta Mall and will be replaced by condos. Two other Stoney Creek houses long gone are Bar Don on Mountain Ave. & King St., now a parking lot, and Eastdale, on Grays Road which was destroyed by fire. Grimsby Pro Bowl on Livingston Ave. in Grimsby was torn down and there is a mall on the spot now. Strixxx, also in Grimsby was located close to Lake Ontario.

Another fire victim was Bowl-O-Drome on Parkdale, just south of Melvin. Also in east Hamilton was Queenston Bowl near the east end traffic circle. After starting out as Blondie's Lunch, it was converted to 10 bowling lanes by owner Carl Balon. Bowling stopped in 1988 and several businesses have occupied the site including the present tenants Lou's Music & Mystic Mojo who says the original ten lanes are still there, but covered over. Several were located in the area of the present Centre Mall on Barton with the main one in the 1960's being Hamilton Centre Bowl with 48 lanes at Barton & Ottawa, now the scene of a Wal Mart. After it closed in 1969 the building was home to a movie theatre & bingo hall. Across the street was the Winter Gardens, now Antique Alley. Upstairs at Barton & Kenilworth was Grand, a.k.a. Sabby's. The Dofasco Bowling Club, a.k.a. Pro Bowl Lanes was at 1047 Barton St. E. and is now the Church of Pentecost. Next door the Bowlero is the House of Grace of all Nations. The Ottawa Lanes were located at 172 Ottawa St. N. and the building is currently for lease. Close by at 278 Ottawa St. N. in a building from 1923 were the Fleming Alleys, now the scene of a furniture store and a repair store. At 75 Newlands were the Park Lanes.

The Albertonian, with four lanes in the basement of an apartment building opened on Dec. 19, 1925 and closed in the early 1930's, was three blocks from Gage Park and close to St. Peters Hospital. The apartment building is still in use with the former lane space now used for storage. The "Entrance To Bowling Lanes" carved in cement is still there, but covered over with vines. At Kenilworth & Main was the Kenilworth Lanes, which was also known as Eagleton, Handley & Cinderella. Located next to the long gone Windsor theatre, the area is now a parking lot & an empty building. The Co-Op Lanes were in the Normanhurst Community Centre's basement at Barton & Walter Ave. N. On Glow Ave. just east of Woodward, there is a variety store which I was told had alleys many years ago.

In downtown Hamilton were several with the Olympia Lanes in the basement of the Lister Building on James St. N. In 1928 it was also known as the United Bowling Club. The Central Lanes had two locations, in 1928 at 46 King St. E., now a Salvation Army thrift store on the first floor with the top three floors, where the lanes were, now for rent. Then in 1948, they were across the street from Hamilton City Hall at 28 Park St. S. Hamilton Place & the Art Gallery now occupy the area. The Connaught Lanes, also had another name, Midtown, and the 26 lanes were located on three floors at 25 John St. S. from 1928 to 1972. On James St.

North were the Crown at 181, now an empty lot awaiting the Residence at Acclamation condos. The Tivoli, a.k.a. Coopers & Hamilton Bowling & Athletic Club, at 112 next to the Tivoli Theatre, is now a CBC building. MacDonalds at 66 James St. N., is now a McMaster Student Residence on the third floor. The name MacDonalds from 1890 is still visible at the top of the third floor. The lanes are still there but covered over.

In the basement of the Y.M.C.A. at James & Jackson from 1908 to 1967 were the Y.M.C.A. Lanes with Ed Taylor the proprietor. Other bowling houses that were discovered but with no locations were Arrow, Bulmers, Commercial Club & Robinson. Way back in the early 1900's were the Iron Duke Alleys, across the street from the long gone Hamilton Herald Newspaper office. According to a former oldest Hamilton bowler, Ed Buckingham, another Lucky Strike Alleys were also in the downtown core as were alleys where the present Hamilton Tiger Cat Head Office is located at Jarvis & King. Stelco had a building on Wentworth, just south of Burlington St. which according to a former employee had a lunch room and bowling alleys. In 1941 International Harvester erected a staff house for 529 men at Burlington & Sherman which included eight bowling alleys and eight billiard tables. They were torn down, along with the Winston Hall Lanes five years later.

Pla - Mor Lanes on two floors were at 749 Barton St. E., only a short distance from Tim Hortons Field. Apartments are on the second floor, with the lanes still there, but covered over. At 743 King St. East were Roberts Lanes, a.k.a. Strand. The Winston Hall Lanes were at Barton & Lottridge in the early 1940's. It was a "W.A.C.'s residence. The Beach Road Lanes, a.k.a. Beaches, were at 176 Beach Rd., and again had a second name, Dusan Bowling Alleys. The Mohawk Alleys in 1959 were at 705 Mohawk St. E., and is now an apartment building. At one time it featured candlepin bowling. Sportsman Lanes at 467 Charlton Ave. E. closed many years ago. The Hamilton Convalescence Hospital on West Fifth. had a pair of alleys available for armed forces personnel in the 1940's. The Hamilton Herald from March 11, 1910 stated "there was at the corner of John & King St. in 1852 a bowling alley. They may be in the basement today." For many years the location was a furniture store.

Going out of town to Burlington were the Brant Alleys on Brant St., across from Smith's Funeral Home. It burnt down with the location now a restaurant. Ancaster Country Lanes on Sandhill Rd., is now a banquet centre. The Dundas Alleys on Foundry St. is occupied by a private business with one lane, complete with 10 bowling pins, still visible. The Dundas Bowling Lanes were at King St. East & East Ave., next to the Desjardins Canal. In Brantford were the Mohawk Lanes on Colbourne St. Bowlerama Oakville is now a Home Depot. Burl Oak Lanes on Lakeshore Road, a.k.a. Skyway Plaza Lanes, closed a couple of years ago. As of a few years ago a private house on King St. in Stoney Creek had one lane in the basement. Until it was a fire victim in 1981, Canal Bowl, a.k.a. New Pier Bowl, was located on the Beach Strip next to an amusement park. Across the street for a short time were outdoor lanes next to Lake Ontario. There are pictures on a local web site of the lanes. There are unconfirmed rumours of other outdoor lanes at King St. E. and Parkdale S., next to the long gone Wondergrove. The Pat Quinn Arena is only a couple hundred feet away.

Completed in 1891, the Royal Hamilton Yacht Club on the main floor had a bowling alley and pool rooms until it was another fire victim on Sept. 18, 1915. The Ocean House opened in May 1875 and had a bowling alley and three pool tables on the main floor and was also destroyed by fire on July 17, 1895. Both were located on the Beach Strip and were similar in appearance.

Dundurn Castle had four alleys installed by the Dow Brothers, starting on November 22, 1873. which could be the location of the first ever 300 in the world on February 1, 1881 by Frank Young. The alleys are still there but

were partially damaged by a fire in the 1930's when the location was a café. The location is now used for office space. The James St. Armouries had two alleys on the main floor just over 100 years ago with the space now a supply store. According to Sister Irene, The Notre Dame Academy on Snake Rd. in Waterdown had two five pin lanes from 1965 to 1995 for the academy staff, not open to the public. The location is now a park.

Three more have come to my attention. Westdale Lanes on Main St. West, later a bingo hall, Shea's Oak Queen in Oakville and Orchard Lanes in Grimsby. Some of these "bowling alleys" as they were known for many years, were only around for a few months, some a few years, and some much longer.

This list of over 50 names & locations, is not complete as there are records of bowling alleys permits being applied for on September 28, 1833, March 21, 1843 and in 1847 for King St. & King William. If these permits were granted is unknown. There could be other bowling alleys in the Hamilton area, but as now, these above is all that are known. Still looking for others.

There are currently 11 five and ten pin "houses" in the Hamilton & District Association. Here's hoping they will not be joining the above list any time soon.

## The Thankless Job of a Bowling Center Proprietor

More and more often now – everywhere, not just in bowling, obviously – I am seeing more and more negativity. It seems like every night I am seeing bowlers complain about their center — the center they choose to bowl league at.

Whether it's the pattern used, the center's topography, or the "environment" in which they're playing, bowlers seem to find something to gripe about. And it is a shame.

I am very fortunate. I run a shop at one of the best centers I have ever been to. Our proprietor is top notch, and makes sure that her establishment is, as well. I have never been to a center that does more routine maintenance and inspections than here, at Batt Family Fun Center, located in Jacksonville, Florida.

It really is just done correctly here. And I truly appreciate that.

But still, even here, in what I consider one of the best run centers in the state – if not the country – I still see people complain that it isn't up to their, the bowlers, standards.

And I am not really sure what more could be done. The staff here already goes above and beyond what is required, in my book.

All that being said, though, I am not the only one that bowls/works in a great facility with a great proprietor obviously; they're located all over the country. Sure, there are some centers that haven't aged well. I get it. And yes, you may, on occasion, run into a bad proprietor here and there. It happens sometimes. I get it. Trust me. But for every "bad center" or "bad proprietor" there are two or three good ones.

And those good centers and good proprietors deserve some respect and some credit for what they do to keep their center running the way that it does. It isn't easy. And, unfortunately, more often than not, they don't get it.

It is sort of like that old saying: "When I do right, no one remembers; when I do wrong, no one forgets."

I cannot tell you how many amazing things my local center has done over the past few years to improve their standing with both league bowlers and open play bowlers, alike. They've installed more lanes, they have improved their arcade, they've added mini-golf and laser tag, they've bought a flex machine. They change the pattern every year, giving the bowlers a new challenge and opportunity to grow and get better. And, still, to this day, they continue to try and improve the facility. Literally, almost every day, they get together and ask themselves "what more can we do?" Or, "how can we get better?"

But still, for the most part, I see no love. I see no appreciation. And worst of all, I still, from time-to-time, see complaints. Even though I can tell you with the utmost confidence that I have been to a lot of centers in my

CTF CONNECTION

**\*INTERNATIONAL BOWLING NEWS \***

career, and I haven't seen much better anywhere around the country. Not from a proprietary and staff standpoint.

But that isn't just here, I'm sure. I can almost guarantee you that this is how it is all over the country. Good centers and good proprietors are too often taken for granted. And that isn't fair, because honestly, that isn't always the case, as I said earlier.

So do me a favor, please. If you bowl at a great center or know a terrific proprietor, please share that information with others, in person, or maybe via social media. Spread the word that they run a top notch facility and let them know that they're doing a great job, because, trust me, they don't hear it enough. No related posts.

## WORLD SENIOR CHAMPIONSHIPS

*Our Canadian Team had a fantastic week at the World Senior Championships. Here's the story, as told by Brian McLean, one of our regular reporters, from Ontario. Brian says he garnered much of his information from USBC and Bowling Digital reports.*

**Jill Friis and France Joubert of Canada** (left to right) captured the gold medal in women's doubles at the World Senior Championships 2017, while USBC and PBA Hall of Famer Parker Bohn III and Bob Learn Jr., United States, took the men's title at Dream-Bowl Palace in Unterföhring near Munich, Germany on Friday.

In the women's final, **Joubert and Friis**, who won bronze at the World Senior Championships 2015, finished strong to overtake Leanne Hulsenberg and Tish Johnson, United States, 401-390. Friis hadn't struck through the first eight frames but was able to close the match with four strikes for a 195 game. Joubert, who tossed four consecutive strikes after starting the gold-medal match with a 1-2-4-10 washout, contributed a 206 game to the winning performance.

In the women's semi-finals, the Canadians, Friis (213) and Joubert (203), who earned the last spot for the medal round, stunned top seeded Carolyn Dorin-Ballard (175) and singles champion Lynda Barnes, (185), United States, 416-360.

Hulsenberg and Johnson flew past Mexico's Teresa Piccini, who won gold in doubles at the inaugural WSrc in 2013, Margarita Ramos, 470-343. USA and Mexico shared the bronze medal.

In the men's title match, Bohn and Learn recorded an exciting victory over their team mates Lennie Boresch and singles champion Ron Mohr, 439-427. Bohn and Learn, who led the men's qualifying with record six-game total of 2,519, made the finals with a victory over **Canada's Joe Ciach** and **Richard Lafleur** (left-right), 395-334, in the semifinal match.

Boresch and Learn cruised into the finals with a 402-321 win over Shaun Cummings and Andrew Frawley of Australia. Canada and the Australia took home bronze medals.

In singles play, on the men's side, Ron Mohr won his fourth gold medal in World Senior Championships when he defeated **Canadian Joe Ciach** in the title match, 202-180.

Mohr struck on three of his first four attempts, while Ciach opened in the fourth frame after leaving the 2-8-10 split. Ciach was unable to double in the whole game, but he narrowed the gap to 11 pins when Mohr failed to convert the 3-10 split in the ninth. Mohr rebounded with two strikes in the 10th to wrap up the title.

Mohr has won two gold medals in doubles and all-events at the inaugural World Senior Championships 2013 and added the team gold in 2015.

His semi-final match against his fellow team champion Lennie Boresch, went into overtime as both tied at 217. In the first one-ball roll-off, both players got a nine-count. Mohr struck on his second shot, while Boresch got another 9 to send Mohr to the finals.

In the other semi-final match, Ciach eliminated top-seeded Parker Bohn III, 221-191, to deny the PBA and USBC Hall of Famer an all-American title match. Ciach struck on four of his first five attempts and had another double in the eighth and ninth frame in an otherwise flawless game, while Bohn got five 7 pins and failed to convert a washout in frame six. Ciach received the silver medal, while Boresch and Bohn both got bronze.

In the Masters, Bohn, who started the Championships by winning bronze in singles and added gold in doubles and in the team event, averaged almost 230 for the day but started the title match against Ciach with a 170-256 loss. The 35-time PBA champion and four-time PBA50 titlist rebounded with a 197-188 and wrapped up the title with a 238-237 in the deciding third game. Ciach ended up winning the silver. Ciach, who won four medals in five events this week, including silver in singles and Masters, and bronze in doubles and team, defeated Stefan Yngström of the Sweden, 2-0 (213-180, 215-192), in the master semifinals.

The Senior Women Team (left to right): **Sharon Tataryn, Laurie Griffith, France Joubert, Jill Clendenning-Friis**

In the women's team finale against doubles gold medalists France Joubert and Jill Friis and their team mates Laurie Griffith and Sharon Tataryn, the Americans, struck on six of their first attempts to put the game away well before the final frame, 235-191. In the second game, the Americans took advantage of two

splits by Joubert in the first and fifth frame, and sealed the victory with three consecutive strikes in frames 7-9, by Dorin-Ballard, Johnson and Barnes, 199-169. Canada took the silver medal and Sweden and Japan tied for bronze.

In their semi-final match against (left to right) **Richard Lafleur, Fred Phillips, Joe Ciach, and Conn Casey** of Canada, the Americans came back from a 1-0 deficit, with back-to-back wins, 214-196, 239-194, to advance to the gold medal match and Canada got the bronze.

A record field of 163 men and 110 women from a record 44 countries - players must be 50 years of age or above in the year of the championship - competed for gold, silver and bronze medals in singles, doubles, four-player teams, all-events and masters in the seven-day competition.

The U.S. team topped the medal tally with 18 medals, including nine gold, four silver and five bronze medals. Canada was the only other country to win a gold medal, thanks to Jill Friis and France Joubert, who won in doubles. The Canadians also took home three silver and two bronze medals.

All of our Canadian members brought home World Senior Medals. Fred Phillips, Conn Casey, Richard Lafleur and Joe Ciach won bronze in the Team; Richard and Joe a Bronze in Doubles and Joe a pair of silvers, one in the Singles and one in the Masters.

France Joubert, Jill Friis, Laurie Griffith and Sharon Tataryn won the bronze in the Team and Jill and France the Big Gold in Doubles.

## The World Games

July 20-30, 2017

Wroclaw, Poland

Canada was well-represented at this year's World Games by **Valerie Bercier** and **Miranda Panas** for the women, and by **Francois Lavoie** and **Dan MacLelland** for the men.

One of the highlights of the event was that Lavoie and MacLelland (shown below) won the Gold Medal in the Men's Doubles competition. An awesome job against some very stiff competition!

Another notable highlight was that Panas (seen at left earned the prestigious "Hard Hat Award", which is awarded by our Head Coach (Tyrel Rose) to deserving athletes for their overall performance and perseverance during a competition.

Congratulations Miranda !!

\*\*\*\*\*

## Tournament of the Americas July 23-29, 2017, Fort Lauderdale, Florida

Canada was well-represented at this year's Tournament of the Americas. In fact, Canada was the **ONLY** country who supplied a full team of bowlers for every category!

And....wow, did we do well! Check out the list of medals below.  
If you want to learn more about this tournament, check out their website:  
<https://www.bowlingamericas.com/>

Thank you to all of our athletes for representing our country, and congratulations to all!

## Valerie Bercier - U.S. Women's Open

A very big CONGRATULATIONS to **Valerie Bercier**, from Team Canada, who had a stunning performance at this year's U. S. Women's Open tournament, one of the PWBA's four Majors. It took place at Plano Super Bowl, in Plano, Texas.

After 56 grueling games bowling against some of the top women bowlers in the world, Bercier qualified for the televised stepladder finals in 3<sup>rd</sup> place.

Unfortunately, in the stepladder Bercier met a streaking Liz Johnson, losing to the eventual champion, 255 to 223, and ended up in 4<sup>th</sup> place. Still an amazing achievement!

Shown below are the five women who qualified for the stepladder finals. Left to right (and from 1<sup>st</sup> to 5<sup>th</sup>) are Daria Pajak, Erin McCarthy, Valerie Bercier, Nicole Trudell and Liz Johnson.

\*\*\*\*\*

**President's Message**  
**Brian McMaster**

**Welcome Back Bowlers !**

On behalf of the CTF Executive and the Board of Directors we would like to welcome back all bowlers from across Canada to the 2017-2018 bowling season.

This past season we have seen a lot of success from our youth, men, ladies and seniors divisions, winning medals from coast to coast and around the World. It takes hard work, dedication and a lot of practice and we would like to congratulate each and every one of them for their successes.

All bowlers are invited to our Annual Canadian Mixed Championships being held in Windsor, Ontario on November 17<sup>th</sup> to the 19<sup>th</sup>, 2017. This is a handicap tournament and entry forms can be found on our website [www.gotenpinbowling.ca](http://www.gotenpinbowling.ca). The CTF Annual Meeting runs in conjunction with this tournament and it will be on Saturday, November 18<sup>th</sup>, 2017.

This summer CTF went through a major change at National Office. Stan May is stepping down as Executive Director and will be retiring as of September 30, 2017. Stan has been a huge contributor to the success of CTF over the last 13 seasons. We would like to thank Stan for his hard work and his dedication to CTF and wish him the best in his retirement. Our official Press Release is shown below.

CTF has hired Cathy Innes as the new Executive Director. Cathy has served and held many positions with CTF and the Board of Directors and is the perfect person to become the next Executive Director. CTF Board of Directors and National Office will do everything we can to make this a smooth transition but there may be a few hiccups along the way.

We look forward to servicing all CTF bowlers and if you have any questions or concerns you can contact us and we will help in any way we can.

\*\*\*\*\*

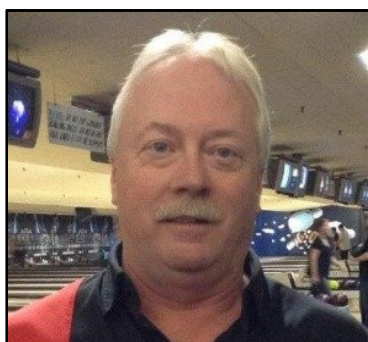

PRESS RELEASE  
July 21, 2017

For Immediate Release  
Contact:  
Brian McMaster

Canadian Tenpin Federation

## **FEDERATION ANNOUNCES CHANGES TO THEIR MANAGEMENT TEAM**

Brian McMaster

Brian McMaster, president of the Canadian Tenpin Federation (CTF), announced today the retirement of Stan May, Executive Director of the federation.

"Stan was instrumental in setting up the foundation for CTF's head office from the beginning of the new membership association. Stan announced his retirement after 14 years with the Canadian Federation."

Prior to Stan taking on the duties of Executive Director in 2004 for the CTF, he was employed at the Lethbridge Real Estate Board as Assistant Executive Director from 1994 to 2004.

Stan, with his many years of experience in bowling, will be missed. He is associated with the Lethbridge, Alberta bowling association and the CTF. Stan volunteered at all levels with the Lethbridge association from President to Level III / Competition Development Coach.

Stan May

During his time with the CTF, Stan was Vice President from 1998-2000, President from 2001-2004 and in 2004 took on the responsibilities as Executive Director of the newly formed membership program for CTF.

Dave Kist

Dave Kist, current director of the CTF, says "I am honoured to have been able to work with Stan for the last 3 years. His dedication and hard work to improve our organization is admirable. I will miss Stan as he gets ready for his next chapter in life but at the same time happy as he begins his next phase - enjoying retirement!

Thank you for everything Stan."

With Stan's retirement, Cathy Innes will be on-boarding and trying to fill the shoes he has vacated. Her background is impressive and list of accomplishments is very long. I can think of no person more qualified or experienced to take over the reins of Executive Director for CTF and am very pleased for the opportunity to work with her. I think the years ahead are looking very good for our organization.

On behalf of the CTF Executive and Board of Directors, Brian is excited to announce Cathy Innes has been hired as the new Executive Director for the CTF

Brian McMaster said; "Cathy was chosen because of her leadership skills, experience in the bowling industry and her passion for the sport of bowling. She has mentioned many times "I believe" and YES Cathy "We believe!"

Cathy has been involved with bowling since 1979; she took the plunge in 1985 to volunteer at the local level administration and has never looked back. She has held every position available at the local and provincial levels. She was a competitive bowler in earlier years bowling Provincial Championships, National Championships and years ago, WIBC national Championships.

Cathy spent 9 years as president of the CTF but prior to her presidency she spent 14 years on the CTF Board of Directors. For the past four years she has managed the High Performance Division of the CTF.

"Cathy has some 26 years' experience with the Canadian Tenpin Federation in many different roles. Combine this experience with a business and marketing degree and management experience, we believe her to be the perfect fit, said Brian McMaster."

Cathy replied; "I look forward to this new challenge, it is happening quickly as I begin full time starting October 1, 2017. I am excited to have the opportunity to work closely with the association leaders across the country towards our grass roots programs and developing our relationships in the communities. My first big challenge will be the move of the Lethbridge, Alberta office to Surrey, BC".

Cathy's duties as Executive Director will be to administer CTF programs for its members, work closely with the bowling communities and CTF Board of Directors, while building strong relations with members, associations, proprietors and all stakeholders within the sport.

Internationally, Cathy will continue as ambassador to the Canadian Olympic Committee, PABCON and World Bowling.

*The Canadian Tenpin Federation was formed in 1969 to qualify representatives for international competition. CTF became a full membership organization on August 1, 2004 to deliver membership services to 30,000 plus registered tenpin bowlers in Canada.*

#### **Canadian Tenpin Federation**

#### **Governing Body of tenpin bowling in Canada**

\*\*\*\*\*

### **Now What?**

Yes, it's true. Stan's last day with CTF will be **September 30, 2017**. He has been a fantastic boss and mentor, and after 13 years, I am going to miss working with him.

Cathy Innes will become our Executive Director on October 1st. She has been learning the ropes from Stan, and I am sure she will do a great job, once she settles into her new position.

As for me, I am still going to be doing pretty much the same things as before - ORS cards, tournament sanctions, centre certifications, etc. There may be additional duties added, as time goes by.

With this major change, it's natural that many procedures will change.

The office will remain open in Lethbridge until December 31, 2017. After that I will be working from home. Unfortunately, Mary Anne has decided not to continue working for CTF at that time. She is wonderful at her job and I will also miss working with her. It could be that I will handle Honour Score Awards, but that will be decided in the coming months.

For now, please continue sending Centre Certification Applications, Tournament Sanctions and remittance forms to me. Please also continue sending Mary Ann your award requests (special achievement and Honour Score Awards).

Cathy will commence her duties on October 1st, and will be based in Surrey, BC. After October 1st, any payments must be sent to her in BC. We will send an email with the address soon.

We are negotiating with our telephone service provider so we can keep the same phone numbers, and will keep you apprised of our progress.

Things will be a little chaotic as we settle into our new roles and I thank you in advance for your patience.

Sue Leslie

\*\*\*\*\*

## It's The Rule Submitted by Charlotte Konkle

Just some reminders to start the new season:

A **designated participant** is someone who helps out with any CTF sanctioned association - such as athletes, team members, coaches, officials, event organizers, administrators, club executives, members of committees and board of directors - we all have to be sanctioned through CTF - ARTICLE IV, Section A.

CTF National, provincial and local association **fees** for the current season, must be paid before the bowler completes his/her second scheduled league session.

All registration applications/sanctions must be submitted by the league secretary to the Local Association Manager **within 30 days of receipt of such applications**.

The Association Manager will forward payment of the registration fees and a copy of the league sanction application to CTF and the provincial association **within 30 days of the receipt of the fees and registration applications** from the league secretaries.

Included in this report are the rule changes for this year's Rulebook - available in league kits and on the website – [www.gotenpinbowling.ca](http://www.gotenpinbowling.ca)

Have a great bowling season!

### Chapter I

#### Introduction

#### IMPORTANT:

#### SPORT/CHALLENGE LEAGUES

A new league designation has been created to bridge the gap in averages between the Standard (house) Condition and the Sport Condition. The new designation, "Challenge Condition" is to be used for leagues competing on lane conditions that fall between Standard and Sport Conditions. Starting with the 2017-2018 season, when a league submits its league sanction application, the league secretary must choose one, and only one, of the three lane condition options - Standard, Challenge or Sport.

A few things to consider when determining which lane condition option to choose:

- Sport patterns typically have an oil ratio of 4:1 or lower;
- Challenge lane conditions typically have an oil ratio of 4:1 to 8:1;
- Standard or 'house' patterns used in many leagues have an oil ratio of 8:1 or higher, and average around 40 feet in length;
- The lower the oil ratio, the more difficult the pattern;
- Patterns have different shapes;
- Averages for leagues that bowl on Sport or Challenge Conditions are to be re-classified based on the conversion charts found in this playing rulebook.

See Chapter V for more details.

## **RULE CHANGES**

**Rule 100e - Handicap Leagues.** A new rule #6 has been added, 'A handicap game or series shall not be capped unless provided by league rule. If a league adopts such a rule, a game or series cannot be capped below the highest possible scratch score.

**Rule 3{9d - Reporting Prior Prize Winnings.** This rule has been amended as follows:

- (a) The prize amount shown in the first paragraph has been changed to \$300;
- (b) Additional prize amounts added under Rule #2: \$300 in any one event; Total combined prize winnings of \$500 or more in any one tournament; Total combined prize winnings of \$1,000 or more in all tournaments within the past 12 months.

**Rule 327c - Scoring Process.** This is a new rule. A handicap game or series shall not be capped unless otherwise stated in the tournament rules. A game or series cannot be capped below the highest possible scratch score.

### **Designated Participants**

#### **16a. Responsibility**

An individual bowling in CTF leagues and tournaments is responsible for but not limited to:

1. Ensuring they have the correct membership to participate
2. Abiding by CTF rules
3. Abiding by league or tournament rules
4. Ensuring their average is correct, prior to participation
5. Reporting prize winnings as stated in tournament rules and/or rule 319d.
6. Reporting any tournament average adjustment/rerate in accordance with rule 319c
7. Using a national average rerate

### **RULE 17a. Unfair Tactics**

To change:

Penalty : loss of games, any and all monetary or non-monetary awards/winnings, league removal (see rule 115a or rule 115c), tournament disqualification (see rule 319a-319e) and subject to suspension from or denial of CTF membership

**NOTE:** a complaint may be filed only in the current season or the season immediately following the alleged violation. The complaint shall be in writing and detail the charge(s) against the designated participant(s) and the CTF rule involved. The complaint shall be signed by the person(s) making the charge(s) and filed with the CTF

## National Office

Rule 329 - Protest and appeal, YOUTH CHANGE allows for protest on eligibility and/or average violations to be filed no later than 10 days after prizes are paid.

\*\*\*\*\*

### **Coaching Development** **Submitted by Blaine Boyle**

The Coach Development Committee and the Canadian Tenpin Federation have started taking the first steps in the Responsible Coaching Movement. The Responsible Coaching Movement is policies set out to ensure the safety and protection of our athletes and coaches.

There are three priorities to responsible coaching:

1. The Rule of Two
2. Background Screening
3. Respect and Ethics Training

These 3 priorities along with coaching certification will be our main priority going forward for the Coach Development Committee.

We already incorporate Ethics Training into our NCCP Program and will soon be launching Respect in Sport which will be a requirement to coach at all levels of competition, with Background Screening to follow.

If anyone has any questions please feel free to contact us.

\*\*\*\*\*

### **From the Desk of Equipment & Specifications** **Submitted by Jim Lester**

If you don't know or understand what equipment and specifications means; it would be defined as "all the boring stuff associated with bowling". During the summer months while most are on vacation, the golf course or the baseball field there are a select group of trained individuals who physically check attributes on the lanes we bowl on. There are approximately 25 measurements on a bowling lane, yes that is for one lane. Some measurements would include the gutter depths, tilt of the bed where the pins are set, depressions on a wood lane, a cross-wise tilt on a panel section on a synthetic lane and many, many other measurements. Just to give the readers a bit of a time schedule, it would take or should take, around 2 to 2 ½ hours with two people to perform these measurements for a 12-lane centre.

This is not a glamorous job in any manner. From personal experience, this writer has been performing this part of bowling for better than 25 years. The heat in most closed centres during the summer is unbearable and the people doing lane certification know from experience, you get dirty during this process. The vast majority of people performing this necessary task for our sport are volunteers. These measurements allow all bowlers from New Brunswick to British Columbia to compete on the same playing surfaces throughout our Country.

Our organization, The Canadian Tenpin Federation, has a list of all certified Lane Certification and Lane Inspection persons, but the list is a bit dated. Therefore, to update the list a mass email was sent to all Associations in Canada. The email was sent out in both official languages.

At first the responses were slow so the mailing was sent out again, and then again for a third time. The result is almost all Canadian Associations have now responded within the past six months.

Now the question you are asking: Why is CTF doing this?

CTF wants to identify the current active members in this process.

CTF wants to learn which regions are lacking in either education, or volunteers, so we can address these issues through proper training.

CTF wants to ensure this important process is being done properly.

There are changes to the certification process coming up for the 2018-2019 season and CTF needs to know where to send this information. There also might be further changes for the 2019-2020 season. CTF would like to see an on-line, once-a-year update from all inspectors. This process has already started. We (CTF) just require the information.

Can you help CTF, so we can help you?

\*\*\*\*\*

### **CTF Director Nominations Wanted!**

CTF will be holding its Annual Meeting on November 18, 2017 in Windsor, ON. At that meeting, there will be an election to fill three Director positions that will be open on Jan. 1, 2018 for a 3-year term.

If you, or someone you know, are interested in making a difference and becoming a Director, please fill out the Director Nomination form. All provincial and local associations will be sent a reminder letter about this and we want all of our registered participants to be aware of this opportunity.

The application form is available for viewing and downloading on the CTF website ([gotenpinbowling.ca](http://gotenpinbowling.ca)). The form is in English and French in the Miscellaneous section and is called "CTF Director Application". Please forward it to the Nominating Chairperson.

Charlotte Konkle  
CTF Nominating Chairperson
