Lorna Lisowski – First Career 500 Series

Congratulations to **Lorna Lisowski**, who rolled her first career 500 series on Wednesday, Dec 5, 2018 at Chateau Lanes in the 59'ers League.

Lisowski, a left-hander, who started the night with a 129 average, bowled games of 195, 138, and 179, for a 512 series, which was 125 pins over her average as well!

To make it even more difficult on her, a lane breakdown in the 2nd game caused a 20-minute delay, followed by a move to another pair of lanes.

When the going gets tough, the tough get going!

Jordon Budge – 125 Pins Over Average

Jordon Budge had a good night – in fact, his BEST night, while bowling in the 59'ers League at Chateau Lanes on Wednesday, Dec 5, 2018. Budge took up the sport this year, for the first time. And is steadily making progress.

On this night, his improvement was clearly visible, as he put together his best series so far, and even had his first “turkey” during the night.

Budge, whose average was 117, rolled scores of 177, 143, and 156 for a series total of 476, which was exactly 125 pins over his average for the night!

That's one milestone achieved, and more to come, we're sure.

Congratulations Jordon !!

Jon Snyder is on Fire !

Jon Snyder has just reached another career milestone – his first 800 series !

While bowling in the MCBA 4-game scratch sweeper on December 9, 2018 at Chateau Lanes, Snyder's first three games were 279, 297, and 226, for a total of 802 !

Just over 4 weeks ago, Snyder rolled his first career perfect, so he is definitely on a roll!

Oh, by the way, his 4th game of the sweeper was a 230, for a total of 1030, giving him the victory in the tournament too!

Congratulations Jon !!

Orest Kryschuk – 100 Pins Over Average

Congratulations to **Orest Kryschuk** for rolling a new career-high game of 277, and with that, exactly 100 pins over his average! This earns him a watch from CTF.

On November 30th, in the Red White & Blue League at Chateau Lanes, Kryschuk started the day with his 277 game and then followed it up with games of 183 and 187, for a series total of 647.

Well Done Orest !!

Two Manitoba Bowlers Receive CMC Trophies

Shown at left is **Brittany Crawford** receiving her trophy from CTF for her outstanding performance competing in the CTF Canadian Mixed Championships that were held at Chateau Lanes in Winnipeg in November, 2018.

Crawford won the Women All-Events, with a total score of 2416 (1975 scratch + 441 hdcp).

Fabulous bowling.

Congratulations Brittany !

Shown here is a happy **Mike Boroskae**, receiving his trophy as a member of the winning Team in the Canadian Mixed Championships held in Winnipeg in November, 2018.

He very capably “filled in” as a fourth, with three bowlers from Regina (Candice Chura, Charlene Curtis, and Quinn Materna).

Thank-you to Ron Molinski, the Winnipeg Tenpin Bowling Association Executive Director for making the presentation.

Congratulations Mike !!

Two More Perfectos in Adult-Youth Doubles Tournament

Every year, the Manitoba Bowling Association holds an Adult-Youth Doubles Tournament. It was started as a way to “introduce” youth bowlers to our adult bowling community, helping to create friendships, and making the youth’s transition to the adult ranks a little smoother. When it started, it was a scratch tournament, and the adult and youth were partnered up according to their average. The highest adult average with the lowest youth average, the second-highest adult with the second-lowest youth, and so on. Eventually, this popular tournament was attracting so many participants that it started to make more sense to make this a handicapped event, and that’s the way it has been for the past few years.

On Sunday, January 20th, the 2019 edition of this tournament took place. Even though there is no prize money given out for this tournament, it is a competitive environment, as well as being fun.

This year, we had two 300 games rolled during the five games of qualifying. Congratulations to **Liam Naylor**, a former youth National Gold Medalist, who rolled his perfect 300 in the 3rd game, and to **Jason Borle**, who did the exact same thing in the 4th game. Also, one of our youth bowlers, **Tyler Groening**, came oh so close, when he bowled a 279 game.

A very exciting tournament. The winners were **Zach Demeria** and **Shauna Franchewski**. If you're interested in seeing all of the details, you can find them at: <https://wp.me/P80NLQ-jN>

Hamilton News Submitted by Jim Margueratt

Art Oliver Jr. saw a stubborn seven pin deny him a Hamilton first as after 23 consecutive strikes to start his Skyway Lanes action, he left that seven pin for games of 300 and 299 for that 599 double. Then games of 229 & 258 gave him a 1083 set, only 17 pins under our record of 1100 for four games. That seven pin stopped him from becoming the first Hamilton ten-pinner to roll two consecutive 300 games here although the Schatz brothers came close with Don rolling 300 – 300 in a Buffalo tournament in 1986 and Doug 238, 300, 248, 300 on Dec. 9, 2009 at Skyway. Art now has 25 perfect games, nine games of 299, a pair of 298's and thirteen 800 triples for 49 honour scores.

Even though Oliver missed his pair of 300's, Star Lanes in Brantford did not, as a pair of 300's were fired on the same day by **Matt Havens** 736 (244,300,192) and **Dave Novak** 767 (242,300,225). The next week **David Adams** finished with 11 strikes in a row for a 279.

Also with 11 strikes in a row, but for 290 games were **Ryan Dickenson** & **John Cherriere** at Skyway Lanes where **Brian Ward** started with 11 strikes for a 297 & 745 triple, and then **Lisa Ward** fired her first 600 with a 652 (249). **Mike Ellis** rolled 11 strikes in a row but a midgame split left him with a 261 & 696 triple and continues to hold a 211 average. My brother **Edward** continues at a record 203 pace after triples of 678 (269), 642 & 639. **Mark Winger** was flying high with 278 & 279 before a 162 for a 719 & **Tim Robertson** finished with a 278 for 660.

Mick Anderer hit 776 (266, 269), **Billy Laing** 660 (259) with a 164 average & **Tracy Breeze** was so close as the 150 average bowler finished with 225 for a 599. **June Najbor** was plus 75 at 205 & **Charlie Blair** plus 70 at 202. **Travis Fraser**, 143, earned a CTF Century award for a 244 game at the same time as his mother **Barb**, 140, average smashed a 205.

At Burlington Bowl, **Jeff Lofft** 764 (279,267) & 694 (258), **Rick Gurman** 269, **Brodie Coveyduck** 257 with a 170 average, **Dava Gava** 220 with a 133 average, **Mike Rouse** 203 with a 122 average, **John Harper** 206 with a 132 average, and for the youth **Ben Mancuso** more than doubled his 70 average with a 145. **Cody Hazell**,

140 average, hit for a 230, **Roy Katz** 254, and finally for the youth again, **Katie Morrison** was plus 100 with a 551 triple helped by a 200 game.

The husband & wife duo of **Ron Link** & **Valerie Ciach-Link** were sizzling as Ron , 170, average, scored a personal best 269 single, missing a Century award by one pin, for a personal best 665 triple. Then Valerie, sister of CTF Hall of Famer, **Joe Ciach**, improved on her 205 average with a 687 (240).

Congratulations to Hamiltonians **Art Oliver Jr.** and **Travis Cauley** for their bronze medal in men's doubles at the PABCON Tournament in Brazil. Cauley also won silver in men's all events and was sixth in men's singles.

HAMILTON TENPIN TRIVIA:

1. Of the 20 bowling houses open in 1967, only Skyway Lanes, founded in 1957, is still open. The last to close were Roseland, Martin's & Sherwood Lanes.
2. Bowling out of town suits Hamilton bowlers as evident by **Joe Nardi** 300 & 290, **Dave Custeau** 298 & **Andy Blagojevic** 297 in Rochester N.Y., **Marty Stokes** 299 & **Lionel Lewis** 299 in Buffalo N.Y., **Lionel Lewis** again with 299 in Port Huron Michigan, **Chris Nardi** & **Kevin Picott** 299 each in Mississauga, **Ryan Kloosterman** 300 in Erie Pa., **Lionel Lewis** again with 299 in Montreal and **Earl Demmery** & **Terry Wira** 300 in Cincinnati.
3. The out of town bowler champion is definitely **Al Tone** who has 300's in Las Vegas, Dallas, Italy & Saskatoon, 299 games in Endicott N.Y. & Las Vegas and a 828 triple in Singapore & 799 in Malaysia. He also bowled in front of the Sphinx & Pyramids in Egypt in 1997 & was voted "Sportsman of the Year" by his fellow bowlers. He said sand was not a problem but "men with brooms" were standing by just in case.
4. Bowling on radio? Yes it happened here in Hamilton from Nov. 8, 1954 to April 14th. 1955 and earlier in 1943 with shows live from the Ottawa Alleys called "Bowling Round The Town" and "Down The Alleys" hosted by Norm Marshall who in the 1960's hosted a show on TV called "Challenge The Champion" from Hamilton Centre Bowl.
5. **Andy Toth** of Hamilton was on the "All Star Team # 1 of the Canadian Professional Bowlers in 1965. He later became our Association Secretary.

Windsor-Essex Chatham-Kent Bowling Association Submitted by Cathy Wilbur.

We decided to ask **former youth bowlers** what **youth bowling** meant to them. Youth bowlers were requested to formulate their responses based on the following questions:

1. What did youth bowling mean to you?
2. How are you using your youth bowling experience now?
3. Do you have any recommendations for change to the youth bowling program?

Here are some of the responses that we received from some former youth bowlers. Due to their busy schedules, it took a great deal of time to get responses returned but the wait was well worth it. Responses in this article were simply placed in the order they were received. Before you read each of these bowlers' insights, I would like to take this time to thank each of these individuals for taking the time to provide their input.

Paula Taylor: Youth bowling has impacted many individuals in a positive way, and fortunately I have been one of those individuals whom it has touched positively. I started bowling when I was 6 years old, and very quickly it became a passion of mine. Bowling was never a chore. Bowling was something I looked forward to every weekend, which allowed me to have a passion and drive to become better. Every week when I went bowling, my parents would come and watch me bowl - they would cheer me on and they were supportive no matter how I bowled, and it was always an amazing weekend. Even better my father was my coach and he taught me so much I can't even begin to write down. How could you never want to experience that joy every weekend and allowed me to be close with my family and now we always try and spend time together?

Youth bowling also taught me that no matter what the sport may bring in competitiveness, it was always fun and enjoyable. I was able to make different connections throughout my years in the alley. It allowed me to meet owners, get a job in different bowling alleys, build up a resume and be confident in who I am as a person. Every time I walked up onto that lane, I was confident in how I threw my ball, I was confident in my game, and I was confident no matter who was watching me bowl. It allowed me to love what I was doing no matter what the score was.

Youth bowling also allowed me to travel and compete in different tournaments and sometimes I was able to place decently high in those tournaments. Those tournaments allowed me to win scholarship money, and with that scholarship money I was able to pay for driver training education, I was able to pay for my first year of books for University and I am now a graduate from Brock University with a Bachelors of Arts with a Major in Speech and Language Sciences. Youth bowling has taught me many different fundamentals such as confidence, being proud in what you do and knowing no matter what the score is you can always bring it up and succeed.

Those different fundamentals have allowed me to succeed in my education. I work with kids with disabilities and sometimes I take them to go bowling and every time they get a strike and the joy and excitement on their face reminds me of when I bowled as a kid. Youth bowling opened many doors for me such as experience, new adventures, it allowed me to be interested in my future, and lastly it brought me nothing but joy and love. Youth bowling made a clear pathway for me and luckily many other individuals can have that same experience.

DJ Rose: Bowling is a sport, activity, hobby or even a job to people and that is because it can be done by anyone from the age of 1-101. Many children growing up have the chance to play and try out multiple sports to help decide what they want to play when they are older. Some children continue to pursue a sport while others find interest in other activities. Myself, I found that bowling was what I wanted to do, so I was going to do anything I could to continue to bowl and show up to my Saturday morning league.

Youth bowling started more than half of my friendships I had because I couldn't wait to see my friends from bowling every Saturday after a full week of school. Growing up in the sport of bowling gave me the opportunity to meet a ton of people and to travel places I probably never would've seen if it wasn't for bowling. Bowling first started with just my Saturday league but as I got older, it turned into Saturday and Sunday league and eventually evolved into Saturday league and travelling the other weekends much like other sports. The great part was, I could travel with just my family or with a different group of friends every weekend and would still have a great time. This was important because with other sports, it's the same team week in and week out. Having the ability to be exposed to other groups or friends, made it easier to make friends and get more experience bowling with different people and meeting different coaches.

Coaches in the bowling world are a unique brand of people. They can help coach an entire league of youth bowlers but if you want personal lessons, they are more than happy to help you get better. This is a stand-out opportunity in the sport of bowling because bowling coaches will be there for you from the time you start bumper bowling, to the time where you are competing in professional events.

As I got older, I realized that my time as a youth bowler is what fuels me every time I go bowling. It reminds me of the fun I had and how I have come this far since I was young. Not every kid gets to say that. Many kids who play sports like Basketball, Hockey, Football, etc. don't get a chance to say they've competed professionally. Bowlers can. I now compete in professional events and amateur events, plus I am now sponsored by two different bowling companies. I also work and design jerseys for an apparel company in the bowling industry. I would not have been able to say that I have experienced this much if it wasn't for my family helping me get involved in youth bowling. Bowling as a youth helped me become who I am today, and I highly suggest if you are unsure if you want to start bowling or continue to bowl in a league, keep pushing because you never know where this sport can take you.

Joel Sands: I began bowling when I was around six years old. As soon as I started this sport, I was hooked immediately. As I became older, I started to appreciate the sport for what it truly is and the benefits it has and how bowling has contributed to my life. Youth bowling has played a very pertinent role in my life. From waking up every Saturday morning to bowl in my league, Club 240, to travelling for tournaments, I have always been excited to bowl. I have made various friends through youth bowling and have also attracted some family members into joining Club 240 as well. I know that I will continue my bowling career, alongside soccer, for a very long time into the future.

My youth bowling experience has given me great knowledge on respecting my elders and has greatly advanced my social skills. I learned that the coaches' opinions are always a valid option and that you respect anyone's input while you are bowling. The greatest impact that youth bowling has contributed to my life is the scholarship money I have gained through various tournaments and Club 240 going into University, I have accumulated thousands of dollars in scholarships which has helped pay for some of my tuition, as well as some

of my textbooks. I have taken all these valuable lessons, that I gained in the youth bowling program and have applied it to my everyday life and will continue to use these tools in the adult bowling leagues.

There are not many changes that I would make for the youth bowling program, except that I would make a change for the distribution of trophies for youth bowling leagues. I believe that as the bowlers get older, they appreciate the scholarship money and plaques more than the actual trophies. The trophies are a great confidence booster for the younger bowlers, but I believe that the more useful tool is the scholarship money, especially bowlers pursuing post-secondary education. Other than this, the youth bowling program has been a huge part of my life and I will remember all the friends and lessons I have gained throughout the years.

Darren Alexander: Youth bowling is where everything got started for me. It's where I learned the game, started to develop the skills and knowledge I have today and where I got my first taste of serious competition, which has helped fuel my competitiveness to this day. My youth career started out slow. I bowled at a small 12 lane centre outside of Essex Ontario called Thunderbowl. Since it was a small centre there wasn't a lot of opportunity to compete in many tournaments. The biggest events every year were our association tournaments hosted in Windsor. I remember always thinking that there were so many good bowlers at these events and always wanting to be able to bowl as well as them. I practiced as much as I could and was able to do decent in these tournaments as the years went on. When I was 14 that centre closed so I had to decide where I was going to bowl at Juniors the next year. Friends of ours decided to bowl at Rose Bowl in Windsor so I followed suit and joined the Club 240 Junior Program on Saturday mornings. A few weeks after I joined the league, I was asked by one of the coaches if I would be interested in bowling in a travelling league on Sundays that rotated between the three big centres in Windsor at the time: Rose Bowl, Bowlero and Super Bowl. I of course said yes right away, but since it was before I could drive it took a bit more time to convince my parents. Lucky for me they did say yes and have driven me or driven with me to countless bowling alleys ever since.

The exposure to coaching and extra competition in Windsor really helped me to bring my game to another level. My first year in Windsor I went from averaging 172 to averaging 200, and I also shot my first 300 in the travelling league at age 15. During my youth career I was fortunate enough to make Youth Team Southern Ontario 4 times winning 8 gold medals, 2 silvers and 6 bronze at the Canadian Youth Championships. I was also the Windsor Essex Chatham Kent Bowling Association (WECKBA) Youth Bowler of the Year from 2011-2013 and held the Ontario youth high average for those years as well. The great thing about youth bowling is as I achieved all these accomplishments, I also gained scholarship money for all of it. Because I competed both in Canada and the United States, I was able to accumulate a good amount of scholarship money. All the scholarships added up and I was able to pay for over half my schooling just because of bowling. The fact that I was able to compete in a sport I love, and for it to have such a positive impact on my future outside of bowling is something that I think can really draw more involvement in the sport. I think if more parents hear about how much scholarship money there is in bowling, the more they will want to get their kids involved in it. If the parents are encouraged to sign their children up for bowling and we have good coaching that can keep them interested, involved and most of all having fun, that's how we are going to grow the game. It all starts with the youth and keeping them in the game as they get older.

As amazing as all the competing and accomplishments have been, the most important thing to me about youth bowling is the lifelong friendships I have made because of it. All my closest friends, most whom I consider family, I met at bowling or through someone at bowling. I also met my girlfriend of 6 years when I started bowling in Windsor when I was 15. I can honestly say that if it wasn't for bowling my life would be nothing

like it is. I had a hard time with high school and Saturday and Sunday mornings were always an escape for me. When I had a bad day or week, I always knew that on the weekend I would be able to go be with all the people who I truly fit in with. We would all spend the entire weekend together. Bowling Saturday morning then go to someone's house that night, stay up way too late, and then get up and bowl again Sunday morning. It may not sound that exciting to some people, but those are the times I really remember about youth bowling. Not the scores or the bad days but always being able to be with my best friends doing something we love. I don't think I have ever really said it to them, but I appreciate them, and they mean more to me than they can ever know. They have all been a light for me at some of my darkest times.

So, for me, bowling is more than just a game I love. It really is my life. In some way it has impacted every part of who I am, and for that I am eternally grateful. I hope that the game I love has had this kind of impact on others as well or will in the future. I hope I am able to continue to meet people, compete, and see the world through this amazing game. I want to inspire people, especially young people, to continue to bowl and enjoy the game. Whether at a competitive level or just for fun, the relationships, joy and excitement you can experience are simply extraordinary.

Ryan Hill: Youth bowling to me was just a fun place to hang out with friends and family. I had a cousin who bowled with me and we both competed together in different tournaments each year, so it was cool to spend time with him and also travel around the province seeing different cities and experiencing new things. These tournaments were memories that we still talk about today, some laughs, some great wins, some long car rides home saying just one more strike would have made the difference. Without these competitions, I definitely wouldn't be the person I am today, these experiences taught me how to handle pressure, taught me sportsmanship, taught me leadership and taught me how to represent myself.

I have been a successful leader in retail for many years, but did bowling make me everything that I am? The truthful answer is no, but I definitely had great parenting for that part, but bowling was a way to test those skills early in my life and continue to help refine me. Nobody thinks about the pressure when you are the bowling anchor and your team needs you to get the first two strikes for the championship, or when you are lead-off and your team is struggling to get anything going and you need to put a three bagger on the board to get your team moving. These are life lessons that may not seem like much, but they help build who you are.

Youth bowling needs continued support. My son is eight years old, and I started at seven; we just need to keep supporting them. Of course it's a different generation, and we need to teach them good sportsmanship and good leadership skills the same as we were taught.

Ryan Ford: Youth Bowling provided me with the basic skills that allowed me to bowl to my best potential. As a Youth bowler, I developed camaraderie, social skills while experiencing healthy competition. Because of my positive experience as a youth bowler, and the friendships and connections I developed, I continue to enjoy bowling in a league to this day. My suggestion is that there should be an attempt to keep youth bowlers interested so that they stay connected to the sport into adulthood. Ryan is currently a Quality Control Manager at P.S.I. Concrete in Windsor.

Joe Cartier: Youth bowling meant to me that I was part of a Sport that I was good at and proud of, even though bowling tends to be known as a Non-Sport. We, as bowlers, know it is very much a sport and hitting

200 consistently is not easy. Youth bowling also meant it gave me a place to make new friends with kids I otherwise wouldn't have met. I am still friends with some of these people today.

As a Youth Bowler I was taught basic bowling rules, skills and at the same time how to have fun in this sport. Currently I am using my experience as a coach for the Youth program in our Town. By coaching, I am able to instill the knowledge I learned as a Youth bowler. Each week, I make an effort to provide the kids with information from my bowling past so that they can use it to improve their bowling skills and to be proud of their accomplishments.

A change I would like to see is how Youth bowling is promoted. It seems there is a lack of advocacy to this great sport. I feel the more Youth bowling is promoted, the more youths may get interested. As well, I would like to see making it more affordable for all youths to join. I think the CTF could reduce the Sanctioning fees for the Youth as well as provide them with a CTF T-shirt or Hat supporting the Federation. The more the organization is in the public eye the better.

Joe Cartier is employed by the City of Windsor in the Graphics Dept. He is President of the Monday and Wednesday Men's Leagues at J&D Lanes in Tilbury. He is also a WECKBA Director.

***Editor's Note:** This was a terrific idea. Thank-you to WECKBA for producing this article. And also, a huge THANK-YOU to the writers, the former youth bowlers, for putting their thoughts into words. They are very inspiring, insightful, and impressive.*

Jim Lapointe fired twelve consecutive strikes on lanes 35 & 36 in his last game in the Bluewater Monday Night Men's League at Marcin Bowl to record a perfect game and walk off the lanes with the high single of the week.

It was his 6th career 300 having bowled 4 at Marcin Bowl and 2 at Hi-Way Bowl.

He finished the night with a 714 (255- 300 – 93 pins over average) triple.

Ben Lapointe rolled 735 (232-256-247) on lanes 7 & 8 in the Phantoms Youth Senior League at Hi-Way Bowl.

The right handed bowler rolls a ton of revs and now has 22 sanctioned 700 triples having tossed 10 in youth leagues and 12 in adult leagues. His highest sanctioned scores are 775, 2-298's and 2-299's

Ryan Skinner fired 300 - 111 pins over average – 2nd game – 717 triple on lanes 29 & 30 at Marcin Bowl to record his first career perfect game. The right handed bowler was playing the deep inside shot and had twelve explosive pocket hits.

Ryan, who throws with a lot of revs, started bowling at age 4 in the Hi-Way Bowl Phantoms Youth League and with the great coaching he received has become a solid bowler.

He has been enjoying the fun on the lanes for 26 years. He is a once a week bowler, besides sparing, with a personal high triple of 793 and now his high single is 300.

Jason Lucas tossed 618 (220-213) in the Border City Men's League (BCML) at Marcin Bowl to register his first career 600 triple.

Jason did not come up through a youth bowling program starting bowling at age 33. This is his 4th year in the BCML. His highest single game is 255.

Jason said one of his most memorable moments in bowling was when he did a face plant on the lanes with the first ball he threw in the BCML

Hollie-Anne Jean tossed 588 (248) in the Youth Intermediate Division at Marcin Bowl to register both her personal highest triple and single.

Hollie has been with the junior program for approximately 11 years and started as a Junior Bantam at the age of 5. Her current average is 162 after 51 games.

Hollie says she has had many memorable moments in bowling but winning the SMAA Bowler of the Year in 2015-16 was probably the top one. Her good sportsmanship, commitment and team spirit has earned her Female Athlete of the Year for grade nine and ten at school. She also been awarded the IODE (Imperial Order Daughters of the Empire) grade 9 achievement award and a citizenship award.

Elgin George rolled 730 (258-230-242) in the Sarnia Aamjiwnaang Mixed League (SAML) at Marcin Bowl to record his career personal highest triple.

Elgin is a right handed bowler who came up through the Marcin SMAA Youth Bowling Program and is a once a week bowler in the SAML.

He started relishing the good times on the lanes at age 7 and has been bowling for 25 years. His career highest single game is 290.

Brodie McKinley fired 518 (231 – 99 pins over average) in the Phantom Youth Intermediate Division at Hi-Way Bowl to post both his personal highest triple and single game.

Brodie started bowling at age eight in the Junior Bowling program eight years ago.

His other activities occupying his time are video games, drawing, reading and playing paint ball. When he isn't relaxing or bowling, he is earning money at a local pizza establishment, a job he picked up this summer.

CONGRATULATIONS Brodie on the SUPER bowling.

Matt Pereira rolled 577 (191-195-191 – 208 pins over average for three games) in the Thursday Night Men's League at Marcin to record his highest personal triple and take the honours for the week's high over average. Matt did not come up through a youth bowling program and this is his first year of bowling. He bowls with a team of first-time bowlers except one team member who hit the lanes before. The team members sponsored by "Alvin Painting" said they are having a "ball" each week.

Kyle Adamson rolled 297 – came a tad light leaving 2-4-5 pins – 104 pins over average - lanes 25 & 26 – 2nd game – 682 - in the Bluewater Monday Night Men's League at Marcin Bowl.

Kyle is a right-handed bowler who did not come up through the ranks in a junior bowling program but took part in 5-pin bowling until he was seventeen years old. He then decided to try his luck with ten pins on the deck rather than five.

He is a solid competitor having recorded 7-300's, 6-800's (his highest is 813) and 3-298's.

Sean Rapaich fired 555 (205- 79 pins over average – 200 – 177 pins over average for three games) in the Border City Men's League at Marcin Bowl to take the honours for the LCTA week's high over average.

He also rolled his personal best single and triple.

Sean started bowling this year for the first time with the other members of the team "Three And A Half Men" who started bowling last year for the first time.

Team Canada Youth member **Morgan Pelkie** had a brilliant day in the Marcin Bowl Youth Bowling Program on Saturday. She mercilessly hammered the pins as she fired 780 (279 - 80 pins over average - 11 strikes in a row – 236 - 265 – 183 pins over average for three games) on lanes 23 & 24 in the Intermediate Division. Morgan rolled 29 strikes out of a possible 36 strikes.

She achieved not only her first 700 but also her personal highest triple. Her previous high triple was 695 and her highest single is 297.

Scott Mezzatesta rolled 669 (246-245) in the Border City Men's League (BCML) at Marcin Bowl to record his career personal highest triple.

Scott is a retired Nova employee who bowls full-time in the Hi-Way Bowl Target Trios League and spares in the BCML and the Thursday Night Men's League at Marcin Bowl.

His career high game is 249. Earlier this season, he recorded his first 600 series.

Youth Bowler Inks University Scholarship:

Morgan Pelkie accepted and signed a substantial scholarship offered to her to attend and bowl for the private Oklahoma Christian University (OCU) located in Oklahoma City. The educational scholarship had been a possibility over the last few years as she was bowling in local and provincial tournaments adding

achievements to her credentials. She was eager to add more wins in her bowling tournaments especially the Ontario Youth Bowling Tournaments (OYBT - monthly competition) held in different cities but she had her eye on obtaining a university bowling scholarship. This year the forefront of her main goal was to ink a University scholarship to further her education. Morgan will pursue a history and prelaw program while being part of the university team.

Morgan is an Intermediate Division bowler with the Marcin Bowl Youth Tenpin League. She came to the Marcin junior program at the age of 5 and has continued with the program and her love for bowling for the last 13 years. Each year, with the help of her coach Gil Jean, she set goals that she wanted to achieve in that bowling season. Her goals this year were to improve her mental attitude and hit the 200 average. She currently is averaging 203 after 16 weeks on the lanes and has a good chance of fulfilling that goal if she maintains her game. Morgan has made bowling and good school grades a priority in her daily life.

Coming up through the years Morgan has won scholarship money in different divisions in Canadian Tenpin Federation (CTF) and OYBT tournaments. She has one CTF victory and in the OYBT she has one win, two seconds and ten third place finishes. She was named Bowler of the Year in the 2014-2015 season for the Marcin Youth Program. She has received a \$500.00 scholarship from the Lambton County Tenpin Association (LCTA).

In 2018 Morgan entered the Canadian Team Trials and won a spot on the Youth Team Canada being the youngest member of the team. The qualifying is very difficult and Morgan came through in her last game to advance from 6th place to 4th place to secure a spot on the team. This is an elite position that many youth bowlers try for but do not succeed. Last year she held the LCTA /Ontario Provincial Intermediate High Average with a 198. Her career personal sanctioned high scores are a 297 single and a 780 triple.

Our CONGRATULATIONS from the LCTA to Morgan on her outstanding accomplishments and now entering her OCU scholarship adventure. Very few bowlers in Ontario can make this claim. With the on-going support of her family and coaches, Morgan will be able to top the goals she sets for herself. Congratulations once again for what you have achieved and for your future.

Editor's Note: Rod Honke produces a fabulous weekly write-up of local scoring achievements and results and posts them up on the LCTA website. If you want to see more of Rod's write-ups, go to:

Stace Popoff Receives 300 Ring

Stace Popoff finally receives his well-deserved 300 Ring!

Stace lives in Saskatoon Sask, and he bowled the first 300 game when CTF was piloting our Canadian Membership Organization, on March 3, 2001.

CTF did present him with an award at the time, but it was time for Stace to receive a proper ring as we award today.

Kudos to CTF for doing this!

Congratulations Stace!

Saskatoon Hunter's Fairhaven Bowl Youth League

We are off to an exciting 2018/2019 Season in the Youth League at Fairhaven Bowl in Saskatoon. Our Youth Program continues to expand with new young talent and we are watching our CTF membership grow. There have been some exciting games bowled in the first half of the season and our bowlers are gearing up for upcoming tournaments.

Special Achievement Awards

Shiann Orosz (Junior) Average 120 bowled a 512 Triple (191,155,166)

Andre Odpage (Junior) Average 176 bowled a 679 Triple (255,208,226)

Brayden Kennedy (Junior) Average 150 bowled a 549 Triple (195,191,163)

Amellia Campbell (Intermediate) Average 160 bowled a 627 Triple (249, 199, 179)

Reanna Lafferty (Intermediate) Average 149 bowled a 590 Triple (213,187,190)

Zachary Ewert (Intermediate) Avg 142 bowled a 579 Triple (245,172,158)

John Espanol (Senior) Average 187 bowled a 653 Triple (247,245,161)

Greg Sorensen (Senior) Average 179 bowled a 681 Triple (200,244,237)

Aaron Doherty (Senior) Average (190) bowled a 674 Triple (223,246,205)

And on October 21st, **Ace Vandenneuvel** (Senior, Average 180) rolled 11 Strikes in a Row for an exciting 297 Game!

He then continued on to roll a 701 Triple with a 211 and 193 game.

Congrats Ace on your 700 Series!

Miscellaneous Estevan News

Louis Ley, who is only six years old, rolled a 301 series with a high game of 138. Wait until he's seven!

Jeremy Godfrey had a great run of 9 strikes in a row and ended up with a 289 game. Way to go Jeremy!

Glencairn Bolodrome – Upgraded to Synthetic

Glencairn Bolodrome in Regina has recently upgraded their lanes. They have gone from wood lanes to synthetic. This is a major change for Regina bowlers, as synthetic lanes traditionally play much differently than wood ones. There are a number of provincial events to be bowled here this season. I'm sure the bowlers will appreciate bowling on these new lanes. Congratulations to Glencairn! Here's a few pictures of the new environment.

BC youth bowlers taking the Pacific North West by storm!

Nathan Tang of Lucky 9 Lanes, Richmond, bowled in his first tournament over the border.

He took 2nd place at the Seattle Winter Break Youth Challenge, which also won him an entry into the Seattle Youth Masters!

And then, after competing at the Masters event, he won his entry to the Junior Gold Championships in Detroit!! Not bad for a bantam who's only in his 2nd year of league bowling!

We see a bright future for Nathan.

Simon Dyck, also of Lucky 9 Lanes, finished at the top of the standings at a Junior Bowlers' Tour stop in Seattle.

Simon was the qualifying leader going into match play but unfortunately fell just short of the JBT title with a 2nd place finish.

There's lots to be proud of!

BC Youth Bowlers Tour – Adult/Youth Doubles Event, Richmond Sponsored by JR Pro Shop

In its inaugural year, the BCYBT ran its 4th event with the Adult/Youth doubles tournament.

Congratulations to the Champions, **Alex & Brandon On!** (shown at right)

The final match between Brandon On and Alexander On VS **Devon Furnell** and **Teo Gonzalez** came right down to the last ball of the 10th frame. The On brothers came out on top with a 2-pin victory to win the \$200 prize and the \$100 credit to JR Pro Shop.

The top 6 finishers (after stepladder) were:

- 1) **B.On / A. On**
- 2) **D.Furnell / T. Gonzalez**
- 3) **Maroun Rouhana / Roy Palacios**
- 4) **Courtney Collins / Katie Pangaliao**
- 5) **Darin Tsu / James Munch**
- 6) **Mark Rouhana / George Rouhana**

High game (not in Top 6) went to **Vincent Calma / Freddie De Guzman**. Special recognition to Teo Gonzalez, who was most pins over average at +29.5 (151 to 180.5 ave).

Thanks to **Ryan Reid**, **Morgan Beldi**, and Lucky 9 staff for hosting and **Jordan Jung** and **Ryan Barker** of JR Pro Shop for their sponsorship.

And very big thank you to **Donald Nip** for organizing and running these great events for our youth bowlers!

BC Youth Coach battling cancer and NEEDS Stem Cell Transplant

Our bowling community always proves to be one of the strongest. Especially when one of our own is in desperate need of help. One of our youth coaches, **Martin Lintag**, has been battling two rare forms of leukemia since his diagnosis this past Summer.

Martin has been an integral part of our bowling family here in BC. After coming up through the youth program with his brother, Martin became a youth program coordinator and coach at Lucky 9 Lanes. He also served on the BCTF board of directors for a number of years and as an executive member for his league. His best chance of a stem cell match was his younger brother, who tragically passed away at 18 years old. Martin is currently in relapse and without a stem cell transplant, his days are numbered.

We need as many people as possible, especially those of Filipino and Asian descent to register as stem cell donors. Since he is Filipino and less than 1% of the registry is Filipino, he's having a hard time finding a match. Signing up as a donor, only takes a couple swabs of the cheek.

Team Canada – Who Are They? Let's Meet Them!

The CTF High-Performance Committee has decided that the CTF Connection would be a good medium to help our Canadian bowlers learn something more about our athletes who represent our sport and our country in international competitions. In that vein, they asked Team Canada members to submit a brief bio that helps you understand more about each of them – what drives them, how they got to where they are, what are their priorities, and more. This will be a part of each issue of the CTF Connection for the next while. We thank everyone involved for taking this initiative. Here are the first four submissions.

Isabelle Rioux

My name is Isabelle Rioux and I have been bowling for 25 years. Unlike everyone else, I did not start until I was a teenager. I started bowling recreationally with my parents so we could spend time together and have fun.

I participated in many sports - gymnastics, volleyball, handball, athletics and was always competitive. At age 17, I thought I was too old to represent my country. I was wrong.

My first coach/mentor was Richard Lafleur and he taught me to be competitive. My second coach was Luke Doucet (pictured with Isabelle) who was my best friend, and husband.

Between Richard and Luke I have been on Team Canada for 16 years. My special moment was winning a silver medal at the 2013 World Championships in Trios.

I have now started coaching, it gives me the opportunity to share my experiences and watch others improve. I also operate a Pro Shop with Michel Lesage. This year I will be balancing my time between training, the Pro Shop, working full time and looking forward to representing my country with pride and honour.

My passion for bowling has steadily grown for many years and it is still growing in a lot of ways.

See you on the lanes.

Felicia Wong

My name is Felicia Wong and I have been bowling for 28 years. I fell in love with bowling after bowling in my first Youth Nationals at age 11.

I would have to say that a few of my most memorable moments in bowling would be winning a gold medal with Isabelle Rioux and Caroline Lagrange at the 2010 PABCON Championships, winning the Intercollegiate Team Championships with Wichita State University in 2007, and most recently, winning the Canadian Team Trials in 2018.

Although bowling is one of the passions I am most dedicated to, it wasn't until I found yoga and music that I really started to understand myself better as a person and as a bowler.

I am grateful to have such a supportive husband and family who allow me to follow my passions and continue chasing my dreams in bowling. In the picture with me is one of my biggest supporters – my Mom, Elizabeth Wong (who is also a good bowler, having been on Team Canada's Senior Team multiple times).

Dan MacLelland

My name is Dan MacLelland and I have been bowling for 30 years. I started bowling when I was 4 years old and shortly after that I got my first ball and fell in love with this sport.

It has led me to be an 11-time Team Canada member and a member since 2011 on the adult team.

The most memorable moment for me out of all of them was having my wife (Kristy) and daughter (Harper) watch me win a Gold Medal in Doubles and a Bronze Medal in Singles at the Pan Am Games on home soil in Toronto.

I do not have much going on in the next little while, due to the new addition to our family - Adalyn Michelle MacLelland.

So, just being the best husband and father I can be is what is in the cards for the next little while.

David Simard

My name is David Simard and I have been bowling for 32 years. My mother is the President of the Youth Program. My parents bowled 4 times a week and I was always there with them but didn't take a real interest until age 14.

I have been on Team Canada nine times and won three consecutive Canadian Team Trials – 2012, 2013 and 2014. My schedule for the next while includes competing in a PBA Event, the USBC Masters, and of course the Canadian Team Trials in Montreal.

I have a 21-month-old daughter (Rosalie) and an amazing girlfriend, Marie-Eve, who takes care of three handicapped people full-time. These three people live in our home, so it is an all-day, all-week job!

I also have a Pro Shop in Granby, which is southeast of Montreal. In the off season I do like to play golf.

Coaching Development Report Submitted by Blaine Boyle

Good day everyone! I would like to report that everything is going smoothly in the coaching world at this time.

We have a couple of Introduction to Competition courses taking place in British Columbia soon and some interest in Alberta for a course as well. We also have a course scheduled in Manitoba on April 6-7. If you are interested in getting into a course, you can contact me anytime at bboyle@tenpincanada.com and we will get you on a list for a course.

We are also looking into the possibility of running long-distance training for coaches as well, as it is difficult to reach some of the areas effectively.

Do you Love the Game? Become a Certified Coach!! Remember the youth we inspire today will keep our Legacy alive tomorrow!!

Youth Report Submitted by Blaine Boyle

Hello everyone. Well, the holidays are behind us now so it's back to reality. One year ago I took over this position and I can say it's been a great year with lots of learning.

With our Canadian Youth Championships coming up soon in May, there is lots to be done but at this point I can tell you things are going as planned and right on time. We will have the information packages out to the Team Managers shortly and I am excited to see all the youth together again.

We are also working on the SAFE Scholarship database and will have lists of the expiring scholarship funds out to the bowlers and associations soon. If you know of anyone inquiring about this, please have them get in touch with us at CTF.

These are the pictures from our last issue. We had asked for some help in naming these athletes, and what event this was from. We only received one response – from Jim Margueratt. Thank you Jim ! Here's his email: "Iris, Simone, Florence Rolls, Shirley, Jean Gordon, Wendy. (Coach was Lori Switzerland, Team Manager was Paul Foster)".

Robert Moore, Ron Allenby, Craig, Earl, Jack, Vern Hagstrom, Ray Mitchell - at right end was coach. We used three houses and bowled 10 games at each. For the men, Burlington Bowl had 22 games over 250, Hamilton Mountain Bowl had 12 and Skyway Lanes 2 for a total of 36. The high games were Vern Hagstrom with a 290, Craig McBride had a 289, and Jorma Tikanen, a 287. Craig won with a 210 average for 30 games. The women had only two games over 250 and Wendy won with a 191 average. There were 63 men and 42 women.

Since the three houses were miles apart, transportation was fun. This was one reason why they dropped three houses for two and then one. I was a shuttle driver and went to Hamilton and Toronto airports.

How many ladies do you know? I'll give you a start...

L-R: Iris Sobotkiewicz, Simone Hindmarsh, ???, Shirley Hoffman, ???, Wendy Zielonka

How about the men? Here's what I know so far. Can you help to fill in the ???'s?
