RUNNING SUCCESSFUL LEAGUES

COMPETITION

Competition, by nature, is exciting and intriguing. The more teams that battle for a championship, the more interest is created throughout a league. To spark competition, leagues may try several formats:

Higher Handicaps – Studies have shown that even with a 100% handicap, the higher average team has an advantage. These studies suggest handicap should be set at 100%.

Classified League – Establish a top average limit based on the previous season. This makes the difference between the top and bottom teams as small as possible.

Split Schedule – Divide the schedule into two, three or four sections and crown a champion in each. At the season's end, have a roll-off to determine the overall league champion.

Match Point – Handicap each person individually in the lineup. Players compete against the player opposite them in the opponent's lineup. Award points for wins on an individual and team basis.

Alternate Formats – These formats can make any league both more competitive and more fun. (See page 29 for more information.)

BOARD OF DIRECTORS

The board of directors, the governing body of a league, is comprised of officers and team captains. The board makes decisions on all league matters, including adoption of league rules and prize fund and election of officers, unless the league's rules provide for the league participants to be involved.

For Youth leagues, the league must be under the supervision of an adult league supervisor/official who shall operate the youth league in cooperation with the bowling centre management and a league board of directors, if applicable. (See Rule 103c)

For CTF Youth leagues where a majority of league participants is made up of youth 14 years or older, each league is required to elect a president, vice president, secretary and treasurer from the league participants. Each team is responsible to elect its own team captain. The offices of secretary and treasurer may be combined.

The following also apply to league board of directors:

Team captains may designate someone from his or her team to act as Team Representative at board meetings.

- Each individual on the league board is entitled to only one vote, whether as team captain, officer or both.
- The President also is entitled to vote on all issues before the board.
- A quorum is a majority of the board for business transactions unless league rules state otherwise.

LEAGUE APPLICATION

The league application must be submitted within 30 days from the start of the league.

The League Sanction Application must indicate if the league is a Sport League; a Challenge League or a Standard/House League, based on the criteria found in CTF Rule 200a and the League Designation section in this manual.

AWARD PRESENTATIONS

League secretaries typically make all award presentations. In Youth leagues, awards may be presented by the league supervisor/official. In some associations, an association officer, awards committee chair or lane representative visits the league to make the presentations.

After the feat has been accomplished and once the award is available, an award presentation should take place before the entire league. A long delay, such as waiting for the league's season-ending banquet, can reduce bowlers' excitement about earning awards and their appreciation of their participation benefits. See the Awards Section in this handbook for a complete listing of CTF awards.

CTF YOUTH BOWLERS

Effective September 1, 2009, CTF youth participants can participate in adult leagues where cash is awarded, and they can accept such prizes as offered. CTF youth can still opt to have their winnings deposited into the CTF SAFE Scholarship Account, by completing and signing the CTF SAFE Scholarship Waiver, which is found on our website.

This change does not mean that CTF youth bowlers can automatically join an adult league. It is up to each league to determine if they wish to allow CTF youth participants to join or not. Many leagues are setting an age limit, such as 18 years old, to bowl in their league.

Please note; however, that sanctioned CTF youth leagues must still comply with CTF Youth Eligibility rules, in that cash of **any amount** or merchandise over \$500 cannot be awarded.

Unmarried grade school and high school students under the age of 18 must have the written consent of a parent or guardian to compete in any CTF adult league where merchandise valued over \$500, or any cash and/or bonds are offered.

Their participation, even pacing, in these situations may affect their eligibility to compete on school sports teams.

The form must be on file with the league secretary at least one week before participation, unless a parent or guardian accompanies the student on their first league session. In that case, the consent form may be filed prior to the start of bowling.

Failure to file the consent form will cause the player to be ineligible and subject games bowled to forfeiture. The consent form is available as follows:

- Rule 13 of the CTF Playing Rules Book.
- Downloaded off the Web site.

RULES

Every league must have rules. This task can be simplified by using the “CTF Adult or Youth League Rules” included in this handbook. In adult leagues, the league board of directors or team representatives must vote on each rule. Pay particular attention to rules covering the following items:

Legal Lineups

Leagues decide whether substitutes count toward a legal lineup. CTF rules say substitutes count unless league rules specify otherwise.

Playoffs

Leagues should adopt a rule stating how a playoff shall be conducted for ties and/or championships. Some suggestions are:

Bowl one game (or two games).

- A point for each game, but none for series.
- Best two of three games.
- Stepladder finals.
- Total pins of a three-game playoff series.
- Round Robin.

Substitutes

Every league needs extra players to minimize absentee and vacancy scores. Do this by keeping an ongoing list of substitutes.

Tardy Players

A tardy player uses one-tenth of the absentee score for each frame missed, unless otherwise provided for by league rules.

Team Rosters

Leagues specify how many players are allowed on each team's roster. Team captains submit names before the league starts play or by a time designated by the league.

Vacancy Scores

In adult leagues, teams without full rosters receive a 120 vacancy score and a handicap is figured from that score.

In youth leagues, the vacancy score shall be the average of the lowest average bowler on the opposing team's roster. If two or more vacancy scores are required, the average of the next-to-the-lowest bowler on the opposing team's roster shall be used for the second vacancy score.

Leagues also may set their own vacancy score. To do this, select a figure comparable to your league bowlers' overall performance. The handicap would be figured from that score.

Averages

A complete and adequate entering average rule is essential for any handicap or classified league.

It is recommended that averages from the previous season be used for a bowler's first night of competition because they are easily verified and they represent the bowler's true ability. Bowlers who do not have a qualifying average will then establish their average the first night they bowl unless league rules state otherwise.

In youth leagues, a bowler using a two-hand delivery will establish an average with two hands. When the bowler changes to a one-hand delivery, they must establish a new average using that hand.

HANDICAPS

Handicapping is a means of placing bowlers and teams with varying degree of skill on as equitable a basis as possible for their competition against each other. CTF recommends that higher handicap percentages such as 100% be used for more equalized matches. The scratch base that handicap is figured from should be greater than the highest team or individual entering average. For example, if the highest entering individual average is 218, handicap should be 100% of 220. Another option is to provide a negative handicap for all bowlers above the base figure. For example, 100% handicap of 200, minus 100% handicap over 200.

Handicap leagues use their adopted handicap system at all times. Leagues failing to adopt a handicap percentage in their leagues shall use a 100% handicap. (See Rule 100e)

POSTPONEMENTS

A league's board of directors, specific committee, or a youth league supervisor/official decides requests for postponements. Leagues must grant postponements for emergencies. Minimize postponement problems by:

- Discussing postponements at the organizational meeting for special situations such as hunting seasons, holidays or local events.
- Allowing extra players on team rosters or keeping a list of roving substitutes.
- Appointing a three-person committee to handle postponement requests and cancellations because of severe weather.

See this handbook's section on League Leadership Duties and Responsibilities for more information on a postponement committee.

FEE ARREARAGES

Insist all bowlers pay full fees every session. Team captains are responsible for collecting fees, but are not liable for teammates' payments. To encourage prompt payment, leagues can adopt a rule that a team forfeits any games when a bowler is present, bowling, and not current in paying fees. If adopted, the league arrearage rule must be enforced consistently throughout the season.

PRIZE/AWARD FUND

While prize/award funds are important, avoid pricing yourself out of participants. Large prize/award funds require larger payments by individuals, and can discourage new bowlers and increase league dropouts.

REGISTRATION CARDS

League Secretaries

A registration form must be completed by every person in the league, including substitutes, and submitted with the league application and registration dues. Have each bowler carefully complete his or her home address (and apartment number if applicable) and CTF Identification Number if it does not already appear on the form.

Because CTF is emailing registration cards to our bowlers, a valid and unique email address **must be provided** for each bowler. This email address will be their key to access our online database in the future to obtain their averages, awards history and reprint cards. This will also to improve communications with the bowlers, please make sure that bowlers include their e-mail addresses on the form.

If the bowler wishes to donate to Team Canada, please have them check the box on the registration form and submit their donation to you. Please forward the donation to your local association, who will forward it to the CTF National Office.

The CTF Identification Number enables CTF to create a history on the bowler's league and tournament competition and their award achievements. If the bowler does not currently have a CTF Identification Number (for example a new bowler), the local bowling association will assign a number.

Check the application forms as they are returned to you. It is easier to find errors and correct them rather than to submit incomplete information, which could cause a delay in the bowler receiving their card.

Let your bowlers know their CTF Identification Number will be on their participation card and will be emailed directly to them. if they have supplied a valid email address. This is a permanent number, individually assigned, to be used every season in all CTF competition and will be required when applying for awards.

If someone in your league notifies you that he or she did not receive his or her registration card, or a card is lost, stolen or damaged, contact the local bowling association or CTF National Office at mycard@tenpincanada.com, and a duplicate card will be emailed. If you need assistance, your local bowling association or the national office is ready to help you.

STANDING SHEETS

If you do not use league software, league standing sheets can be obtained by contacting CTF.

To complete the standing sheets, League Secretaries should do the following:

- Print or type clearly and complete the top each week.
- Under "team standings," list teams in order of position. If two or more are tied in wins and losses, list teams by total pins or as required by league rule. In handicap leagues, if total pins are shown, it is up to the league to decide if the team total pin figure is listed with handicap or on a scratch basis.
- In the section for high games and series, list all individual and team scores in contention for league high score awards.
- Under "individual averages," list teams, followed by individual bowlers, completing total pins, games and averages columns.
- Use extra space on standing sheets to recognize special accomplishments such as triplicates, all spare games and most pins over average. Also, use sheets to publicize future events such as the league banquet, local association tournament or meetings.

You may also wish to obtain league software from vendors including Treasure Software Company, (800) 552-2695 or CDE Software, (877-968-8753).

LEAGUE LEADERSHIP DUTIES & RESPONSIBILITIES

LEAGUE BOARD OF DIRECTORS

The league's governing body is its board of directors comprised of the officers and team captains. Each person on the board has one vote — even if they are both a league officer and a team captain.

In youth leagues, the league shall be under the supervision of an adult league supervisor/official who shall operate the youth league in cooperation with the bowling centre management and a league board of directors, if applicable. (See Rule 103a)

For CTF Youth leagues where a majority of participants is made up of youth 14 years or older, each league is required to elect a president, vice president, secretary and treasurer from the league participants. - Providing the final league standings to the league treasurer.
- Maintaining, writing and filing all league correspondence.
- Furnishing the next league secretary with all records and materials.

NOTE: In leagues using computer and/or average service, the elected secretary remains responsible for all the duties specified in CTF Rule 102e.

League Treasurer

The treasurer is responsible for all league receipts and disbursements. In youth leagues that have a board, the treasurer shall assist the league official in the duties of the treasurer.

The Treasurer/League Official duties are:

League Sergeant-at-Arms

The league sergeant-at-arms performs any duties as requested by the president or board.

Team Captains

Team captains are league participants who may organize and enter teams. They represent their team and, unless they designate another, serve on the league's board of directors.

Team Captains in adult leagues duties are

- Collecting CTF registration fees from each person on their team, and forwarding them to the league secretary.
- Collecting league fees from each person on their team and forwarding them to the league treasurer.
- Ensuring the team and everyone on it are eligible to compete under CTF and league rules.
- The team's conduct and attendance.
- Entering the team lineup before the league series begins.
- Computing the scores, signing the score book and securing the opposing team captain's signature.

- Computing the scores, signing the score book and securing the opposing team captain's signature.

League Supervisor (Youth leagues only)

The league supervisor is designated by the organizer of the youth league and is responsible for:

- The league president duties. In youth leagues that have a board, the president will assist the league supervisor.
- Granting prebowl and postponements, unless the authority is given to an appointed committee or the league official.
- Co-sign for withdrawal of funds from the league's account(s).

 - Co-sign for withdrawal of funds from the league's account(s).

League Committees

Typical committees and their functions are:

- Audit Committee - **This is a required committee** that checks the treasurer's or Youth league official's records at specified times to verify incomes, expenditures and balances. The committee ensures the league's funds have been deposited and disbursed as directed, records have been accurately and completely kept, and expenses have been paid. Also can be tasked with auditing league records, averages and position standings.
- Prize/Award Committee - **This is a required committee** that develops and submits for consideration one or more prize/awards lists within five (5) weeks of the start of the schedule. They should contact the treasurer or Youth league official for an estimated budget or list of estimated expenses to work from and consider any league rules that effect the distribution of prizes.
- Awards Committee - This committee works with the league secretary or Youth league official to complete and file award applications, and present or help associations present awards to deserving league bowlers.
- Banquet Committee - This committee arranges for the league banquet.
- Nominating Committee - This committee prepares and presents a slate of league officers for election. See the section on League Elections in this manual for complete details.
- Postponement Committee - CTF recommends leagues have a committee that has the authority to allow or deny all requests for postponed or prebowed games, including emergency requests.

PRODUCTIVE MEETINGS

QUORUM

“Participants present” equals a quorum for a meeting prior to the start of the season. For all other meetings, a quorum is a majority, in the absence of a specific rule regarding a quorum.

PREPARING AN AGENDA

When the president and/or Youth league supervisor plans the meeting, they are smooth and efficient. The president and/or Youth league supervisor should prepare an agenda outlining scheduled business with the help of the secretary and/or Youth league official. This is a sample agenda:

1. Call to order
2. Roll call of officers and team captains

3. Action on minutes of last meeting (read by secretary and/or Youth league official)
4. Treasurer's and/or Youth league official's report
5. Committee reports
6. Correspondence
7. Unfinished business
8. New business
9. Business for which the meeting is called. For example: Adopting or discussing of league rules, including those where an option is available to the league (at first meeting), or election of officers (at end of season meeting).
10. Other business
11. Adjournment

Once the president and/or Youth league supervisor plans an agenda, it is simple to conduct a meeting. Keep in mind that for all bowlers to participate and hear, only one person should be permitted to speak at a time. Keep order by using common sense, courtesy, fairness and cooperation.

MEETING ROUTINE

- Chair (president and/or Youth league supervisor) opens a meeting by stating: "The meeting will please come to order and the secretary (and/or Youth league official) will call the roll."
- Secretary and/or Youth league official calls names of all officers and team captains, recording who is present as part of the minutes. Secretary and/or Youth league official also announces if a quorum is present.
- Secretary and/or Youth league official reads minutes of preceding meeting and board approves as is, or makes additions or corrections.
- President and/or Youth league supervisor calls for treasurer and/or Youth league official and chairpersons of appointed and special committees to make reports, as necessary.
- President and/or Youth league supervisor calls for discussion of all unfinished business.
- Board discusses and acts on new business.
- If scheduled, a program is presented under other business.
- Adjournment of meeting.

HOW TO MAKE A MOTION

1. Individual addresses chairperson to be recognized before speaking.
2. State the motion, "I move..."
3. Second the motion, "I second..."
4. The Chair states, "It has been moved by (name) and seconded that..."
5. Ask for discussion. Every league participant has the right to talk.
6. In taking the vote, the league has the following options:
 - voice vote
 - show of hands
 - ballot vote

Upon completion, the chair rules on the vote and states the result.
The person making the motion may vote against it, but cannot speak against it. Officers may vote on all issues.
7. A motion is lost on a tie vote.

ORGANIZATIONAL

Thorough and complete league rules are the groundwork for operating a league smoothly. The board of directors and/or Youth league supervisor/official adopts rules prior to a schedule's start unless the league calls for league participants to have a say in adoption. Leagues review rules adopted by the board and/or Youth league supervisor/official at their organizational meetings, or ask league participants to adopt them.

PROTESTED/DISPUTED GAMES

The board of directors and/or Youth league supervisor/official may declare forfeits or null and void any protested/disputed games. Their decisions are final except when the local association or CTF receives an appeal in accordance with Rule 119.

REQUIREMENT GUIDELINES

The board and/or Youth supervisor/official is authorized to make decisions when games are protested or disputed. Use the following requirements and guidelines in decision making:

- A written protest must be filed no later than 15 days (48 hours if within the final two weeks of the season or segment or during league playoffs) after the series in which the alleged infraction occurred.
- Officers also may refer protested or disputed games to the board and/or Youth league supervisor/official without written protest.
- The board and/or Youth league supervisor/official allows all concerned parties to express their views regarding the protest, and asks questions as necessary to develop full information.
- Although team captains' unanimous written consent is required to add or change an adopted league rule during the season, only the board's majority vote and/or the Youth league supervisor's/official's decision is required to clarify a rule's meaning or intent.
- Once the board and/or Youth league supervisor/official clarifies the league rule in question, the rule is applied to the situation in dispute.

The board and/or Youth league supervisor/official has three options in handling most protests involving game disposition:

- **Null and Void** – Action taken when it finds a rule was violated, but mitigating circumstances were involved. For example, league officers may have misinformed the team captain.
- **Forfeit** – Action taken when it finds a rule violated but no mitigating circumstances involved.
- **Stand as Bowled** – After reviewing a protest, it is determined there is no cause for action.

DISMISSAL FROM OFFICE OR LEAGUE

A league board and/or Youth league supervisor/official may dismiss a bowler from a league for misconduct or violation of CTF or league rules. If a league participant files a written charge asking for the removal of a league officer or the dismissal of a league participant, a meeting must be scheduled and the procedures in Rule 115a followed.

NONPAYMENT OF LEAGUE FEES

A league must conduct a meeting if an individual is charged with failure to pay league fees and/or withdraws from the league without sufficient cause. When a league participant is accused of the above, the league should try to resolve the matter prior to disciplinary action. Please see Rule 115b.

Requirement Guidelines (Rule 115b) – A complaint must be submitted in writing to a league officer and/or Youth league supervisor/official. The League president schedules a meeting of the league board of directors. The league sends written notice to defendant at their last known address or hand-delivers notice informing them of the following:

Meeting date, time and place.

- Right to attend and offer a defense.
- Keep minutes of the league meeting containing a roster of those present and absent (quorum must be present).
- An accounting of the arrearage must include:
- Date(s) for which the bowler is being charged.
 - Amount(s).
 - Show whether the defendant was present or absent on the date(s) charged.
 - The date defendant was replaced.
- Two-thirds of the league board present must vote the accused guilty. If two-thirds vote is not obtained, the charges are dismissed.
- In youth leagues that do not have a board, the Youth league supervisor/official makes the decision.
- Within 30 days of the meeting, submit the file to local association or CTF. The file must include:
 - Meeting notice to defendant(s).
 - Meeting minutes.
 - Copy of league rules.
 - Record of accounting from meeting and supporting documents.
 - Recommendation and vote count.

NOTE: Rule 115b does not allow a league to charge an individual for more than six sessions.

LEAGUE ELECTIONS

WHEN TO CONDUCT ELECTIONS

The league must conduct elections during a meeting before distributing awards, unless the league board decides they are to be conducted before the start of the league schedule. This requirement is waived in youth leagues where a majority of the league participants is comprised of youth 13 years of age or younger and for high school conference leagues.

WHO CONDUCTS ELECTIONS

The board of directors shall be responsible for electing league officers unless the league rules vest this authority in the league's participants.

NOMINATING COMMITTEE

The president and/or Youth league supervisor should appoint a nominating committee, which prior to an election develops a slate of officers from those choosing to run for office. Each league must elect a president, vice president, secretary and treasurer. The office of secretary and treasurer may be combined. The slate should include one or more candidates for each office.

NOTICE OF MEETING

The league secretary and/or Youth league official must give advance notice of the meeting. This can be by simple written notice or a specified date in the league rules with a reminder announcement. The secretary and/or Youth league official also arranges for a meeting room.

SEPARATE ELECTIONS

Each office has a separate election to enable an unsuccessful candidate for one position to run for another. The presidential election is first, with the vice president and/or Youth league supervisor presiding. After the nominating committee presents its candidate(s), nominations are accepted from the floor.

When nominations close, individuals should vote. Absentee and proxy voting are prohibited. Written ballots should be used if there is more than one candidate. Elections for other offices follow in the same manner, with the president and/or Youth league supervisor presiding.

BALLOT COUNTS

Officers are elected by majority vote. A majority vote is more than one-half of the votes cast by those individuals entitled to vote, excluding blanks or abstentions. For example, if 19 votes are cast, a majority is 10.

At the meeting and after the ballots are counted for each election, the sergeant-at-arms, chair of the tellers committee or Youth league official reports:

- Total number of votes cast
- Total votes needed for majority
- Number of votes for each candidate
- Number of illegal votes

Illegal ballots are counted to determine the number of votes cast. If a candidate receives a majority vote, the presiding officer declares the winner of each election. Meeting minutes should reflect the number of votes cast, and names and number of votes each winner receives.

HELPFUL REMINDERS

1. Nominations do not require a second.
2. Nominating committee reports are accepted by the league and do not require a motion and second.
3. An individual on the nominating may be nominated.
4. The league president and candidates nominated for election are entitled to vote.
5. An election takes effect immediately if the candidate is present and does not decline, or if they are absent and have consented to their candidacy. However if an election is held before the league

schedule ends, the current officers continue in office until the conclusion of the season. At that time, the new officers begin their terms of office.

ASSOCIATION ANNUAL MEETING

CTF allows all registered participants to attend and vote at the local association meetings. Upon notification, each league secretary should notify all CTF league participants of the date, time and location of the meeting.

For Youth associations, attendance is open to all registered participants. Voting individuals, officers, directors and Youth Representatives must be at least 14 years of age, unless provincial laws mandate a specific age.

1. Each youth league is entitled to one adult representative and one youth representative who must be at least 14 years of age, unless provincial laws mandate a specific age. A league is not eligible for representation if it has not submitted a CTF league application.
2. A centre having at least one CTF youth league is entitled to one Youth Representative.
3. The following individuals can be considered for Youth Representatives/alternates:
4. Participants of a CTF youth league.
 - (a) Youth Leaders.
 - (b) Youth league officials (i.e. supervisors, officials, coaches, etc.).

Youth Representatives, voting officers and directors of this association, at least 14 years of age (unless provincial laws mandate a specific age) have voice and vote. Anyone not meeting the above stated criteria may attend with voice only.

MANAGING LEAGUE FUNDS

CTF BONDING PROGRAM

The officers of all CTF sanctioned leagues are bonded for \$10,000 at no cost to the league. Leagues with prize funds in excess of \$10,000 will only receive coverage up to \$10,000. Funds in excess of \$10,000 will not be insured. CTF is responsible for a deductible of \$1,000 per occurrence.

The following conditions govern the method by which leagues must handle their funds to qualify for 100% protection of any loss caused by the dishonest act of a league officer:

- League applications and registration fees must be received within 30 days of the start of the schedule, counting the first day of competition. The League President should verify this is done.
- Funds must be deposited within seven days in an insured bank or credit institution in the name of the league.
- Two officers authorized by the league must co-sign for all withdrawals. (Members of an immediate family cannot co-sign for withdrawals.) Officers must be CTF registered participants. Signature stamps cannot be used nor can cheques be pre-signed.
- The president of the league must personally verify the bank account each month.

Failure to meet the above conditions may result in a 100% reduction of any documented loss caused by the dishonest act of the league officer. CTF recommends that league funds be deposited in a chequing account, with the monthly statement mailed directly to the president by the bank. When funds are deposited in any other account, and the president is not the cosigner for withdrawals, their name must be identified with the account to enable the president to personally verify the amount on deposit.

IN-CENTRE BANKING SERVICE

CTF's Bonding Program will not cover those leagues that use their bowling centre's banking service as CTF has no recourse against bowling centres that do not follow the former policy. It is CTF's policy not to dictate how a bowling centre operates its business; and the previous bonding program covering in-centre banking services did just that. That program told bowling centres that they had to open separate trust accounts for their leagues; and CTF has found that many centres are reluctant to do so. This is not to say that leagues cannot use their bowling centre's banking service; however, **it is at their own risk to do so.**

NOTE: While many leagues take advantage of their in-centre banking service, CTF warns leagues that in the event the bowling centre changes owners or closes, the league may not receive its prize money. CTF encourages leagues to maintain their own separate bank accounts. If they are using an in-centre banking service, the league should have a written agreement between the centre and the league that sets out each party's responsibilities and obligations for paying out the league's prize money.

BURGLARY AND HOLD-UP INSURANCE

The funds of each CTF sanctioned league, provincial and local associations are insured against loss by burglary and holdup in the following manner:

- Receipts: Not to exceed one week's receipts at any one time: with a limit of \$2,000.
- Disbursements: When funds are deposited in a recognized banking or credit institution, and in the name of the league, the amount of total liability is \$10,000 at any one time for a period of seven days, to cover funds withdrawn for end of the season prize money or for a disbursement in behalf of the league. Therefore leagues with large prize funds only pay out a maximum of \$10,000 in cash with the balance paid in cheques.

In the event the league or association fails to deposit the funds in a recognized banking or credit institution in the name of the organization as specified, the insurance company will be liable for only one week's receipts when a loss occurs due to burglary or holdup.

THE INSURANCE POLICY DOES NOT COVER LOSS BY FIRE, MYSTERIOUS DISAPPEARANCE OR FUNDS LEFT UNATTENDED.

LOSSES AND CLAIMS

Under the bonding and insurance program, any loss or claim should be reported to CTF within 15 days. The letter of notification should include the amount of loss or terms of a claim and the circumstances. The insurance company shall not be held liable for any loss or claim that, on investigation in a given case, may have existed prior to the time the bond or insurance became effective. Any attempt to regain funds through an agreement between the principal and offended parties without authorization from CTF creates a legal problem which places the league's right of recovery under the bond in jeopardy.

GENERAL INFORMATION

The bond and insurance shall remain in force for continuing leagues not only to the end of the season, but for the so-called off season until the new season begins. A league receives temporary 30-day protection (winter and summer) from the starting date of its schedule. If the league application is not received by the association within the 30 day grace period, the bonding and insurance become effective when the application and dues are received by the association, and only such funds as on deposit at that time, plus funds deposited thereafter. Failure to submit the league application within the stated time voids protection for all money collected prior to the date the league application was received.

ANY OFFICER WHO MISUSES THE FUNDS OF A LEAGUE, LOCAL OR PROVINCIAL ASSOCIATION SHALL BE SUBJECT TO SUSPENSION FROM CTF. THE PRESIDENT MAY ALSO BE LIABLE FOR INDEFINITE SUSPENSION FROM CTF FOR FAILING TO MAKE MONTHLY VERIFICATION.

NOTE: "Verify" means the president must not only determine the amount on deposit, but also do the arithmetic necessary to determine how much should be on deposit. If the account is found to be short, the president must report the shortage immediately to CTF National Office for possible action under the bonding insurance policy. All cheques must bear the signature of two authorized cosigners. Cheques should not be made out to cash. The chequebook should be reviewed to verify entries made and to reconcile the appropriate bank statements.

QUALIFYING RULES FOR AVERAGE BASED AWARDS

For adult bowlers, the following applies to any award earned based on average:

1. If 21 games or more have been bowled in the league in the current season, use the current average.
2. If less than 21 games in the current season, use last season's final average for 21 games or more from the same league.
3. For a new bowler in the league with less than 21 games, use last season's highest CTF average for 21 games or more in any CTF league.
4. For a bowler who has not established an average in the preceding season, the highest CTF average of 21 games or more from the summer league just completed shall be used.
5. In a summer league, when a bowler has not established an average in the preceding season, the highest CTF average of 21 games or more from the regular season just completed shall be used.
6. A new bowler in a league who has not bowled 21 games in the current season can use a current CTF average of 21 games or more, from another league.
7. A bowler who does not have an acceptable CTF average for comparison is not eligible for recognition.

For youth bowlers, the following apply to any award earned based on average:

1. If 3 sessions or more have been bowled in the league in the current season, use the current average.

2. If less than three sessions have been bowled, use last season's final CTF average of three sessions or more, including summer leagues.
3. For a new bowler who has not bowled three sessions, use the average established after three sessions to determine eligibility for the first three sessions bowled

SENIORS AWARDS

CTF offers a "Seniors" Award category for our bowlers who are 50 years of age or older. The Senior Age Category has been defined as 50 years of age or older and bowlers in this category do not need to bowl in a senior league to qualify for these awards. Senior bowlers are also eligible for the regular Special Achievement Awards that CTF offers.

MOST IMPROVED BOWLER AWARD

Each league will be issued an award(s) annually based on the type of league to provide recognition for the male, female, youth male, and/or youth female participant who shows the greatest improvement in average in the league during its season. See Rule 56.

LEAGUE HIGH SERIES

Each league will be issued an award(s) annually based on the type of league to provide recognition for the male, female, youth male, and/or youth female participant who bowls the highest series during the season. See Rule 57.

REPORTING PROCEDURES

Scores of: 300, 299, 298 games; an 800 series or better by an individual in a three-game series; a Baker team game of 300; or a qualifying National Team High Game or Series, must be reported.

The league secretary shall notify the local association within 48 hours and submit a completed high score award application within 20 days. See Rule 54.

All awards are limited to one award per achievement per season. Additional achievements bowled during the same season will be added to the bowler's record in local association's registration database. (No award issued.) *Average based achievements: Use previous season's average until current 21-game average (for adults) or current 3-session average (for youth) is established.

UNOPPOSED PREBOWLING OR POSTBOWLING

In accordance with CTF Rule 50, any scores rolled during unopposed prebowling or postbowling sessions will not be eligible for CTF Honour Score Awards. Please refer to CTF Rule 50 for more details. For this section, "unopposed" means a person or a team who prebowed or postbowed by themselves, without his/her/their regularly scheduled opponents.

FORMS

SPECIAL ACHIEVEMENT APPLICATION FORMS; HONOUR SCORE AWARD APPLICATION FORMS; AND UPGRADE ORDER FORMS HAVE BEEN PROVIDED IN THE LEAGUE DOCUMENTS PACKAGE PROVIDED WITH EACH LEAGUE KIT. THE FORMS CAN ALSO BE FOUND ON OUR WEBSITE, WWW.TENPINCANADA.CA, UNDER THE FORMS TAB.

ALTERNATIVE LEAGUE FORMATS

You may wish to add some variety to your league play by considering some of these popular alternative formats. All can be CTF leagues. If you are interested in exploring these formats, contact the CTF National Office.

BAKER SYSTEM

The Baker System format places emphasis on the team effort rather than individual accomplishments of individuals on the team. Each person on the team follows each other in regular order to bowl a single game. For a 5-player team, Player #1 bowls frames 1 and 6; #2 bowls 2 and 7; #3 bowls 3 and 8; #4 bowls 4 and 9; and #5 bowls the 5th and 10th frames. The order of bowling is set by the team captain and may be adjusted at the conclusion of any game.

NO TAP

There are two types of no-tap formats commonly used, and the league board of directors must determine by rule which procedure will be followed.

1. A strike is recorded when an individual knocks down a designated number of pins or all ten pins on the first delivery. For any other pin count, the individual receives the actual value and a second delivery is required.
2. A strike is recorded when an individual leaves a specific pin(s) (such as a 5-pin or a 7-pin) or knocks down all ten pins on the first delivery. If any other pin(s) remain standing, the bowler receives the actual value and a second delivery is required.

3-6-9

In a 3-6-9 league, each bowler automatically receives a strike in the third, sixth and ninth frames of each game designated by league rule.

MAIL-O-GRAPHIC

League competition in which a supplemental fee is charged and scores bowled in other CTF competition are compared to qualify for prizes in one common prize list.

SCOTCH DOUBLES

Any combination of two bowlers is allowed. A three-game series is bowled with Bowler A bowling first in each frame and Bowler B bowling at whatever pins are left. If a strike were bowled, the same bowler would continue. Bowler A starts the first and third games, Bowler B starts the second game. Scoring is the same as regulation tenpins.

NOTE: If Bowler A strikes on the first ball in the 10th frame, Bowler A would bowl again. If Bowler A strikes again, Bowler A would roll the last ball. If no strike on the second ball, Bowler B rolls the last ball. Since the second player only bowls if pins remain standing after the leadoff bowler's delivery, it is possible that the lead-off player could bowl the entire game without the second player participating in the game.

SPORT/CHALLENGE BOWLING

Introduction

All Leagues must sanction using one lane condition designation based on one of the following definitions, in accordance with Playing Rule #200a:

1. Sport
 - (a) The lane condition ratio is generally 4:1 or less; or
 - (b) Averages established in a league are generally 20 pins or lower than those bowled on a standard/house condition.
2. Challenge
 - (a) The lane condition ratio is generally between sport and standard/house conditions; or
 - (b) The league chooses to utilize a condition other than the centre's standard/house condition; or
 - (c) The league utilizes both a sport and the centre's standard/house condition during the season; or
 - (d) Averages established in a league are generally 10 pins or lower than those bowled on a standard/house condition.
3. Standard/House. The lane condition that is applied by the bowling centre which promotes high scores and averages.

Converting Averages: A league may convert averages when a bowler does not have an established average on the lane condition required by league rule. When converting averages, the league cannot set the average lower than the corresponding conversion chart.

Nothing in the CTF Rule 201 supersedes the league's authority to raise the bowler's converted average prior to bowling.

Standard/House Averages: A bowler with an average established in a standard/house condition bowling in a league which requires a standard/house average does not require average conversion.

If a sport average is required, the league may convert the bowler's average downward prior to participation, using the conversion chart.

Sport and Challenge Averages:

If a bowler with an average established only on a sport and/or challenge condition is bowling in a league which requires a standard/house average must convert their average to a standard/house average using the appropriate conversion chart and must enter the league with the highest converted average.

A bowler with averages in both a standard/house condition as well as a sport and/or challenge condition will not be required to convert their average and they would enter with their highest average.

For leagues requiring sport averages, a bowler must enter with their highest sport or challenge average with no conversion being made.

Sport or Challenge Averages Adjusted to Standard

The Sport and Challenge Conversion Chart is used to convert a bowler's Sport or Challenge average to a Standard average, and vice versa, for leagues and tournaments. The conversion chart is not considered a "re-rate" of the bowler. Its purpose is to allow for a fair adjustment so the bowler's entering average is what would be expected of the bowler on the lane conditions of the league or tournament.
